Son Of Guyana:

Son of Guyana Arnold Apple,1973 **Obayifo** Yolanda Marshall,2008-06 Enter my dark room of flickering lights
Entertainment most suited for the eyes Eyes so voiceless your lips express jealousy Ending conversations competing quietly
No noises No nuisances No Devils interrupting No rowdy laughter of villains Come into my haven Calm your mind of hidden
murmuring Clamour for serenity wordlessly Conserve peace silently Escape flamboyances Escape the imaginary world of free
speeches Emphatic vocals keep their distance Enter my world Y Marshall **The Long Road Home** TH Cyrus,2023-08-17
About the Book Many of us take this journey in life daily and sometimes we are not sure where we are going or where we will
end up The Long Road Home captures Theron H Cyrus s journey throughout his life It captures his pain tears achievements
triumphs and failures It tells of his spirituality and driving force within to succeed When Cyrus fell he got up When he
abandoned God He did not give up on Cyrus and restored him to his place in His Kingdom This book is a must read especially
for those who may have fallen and are wondering how to get back up About the Author The fourth of his parents five children
Theron H Cyrus was born into a poor family with an uncompromising Christian faith and a strong belief in service to God and
their fellowmen His mother was saved before he was born Though they were poor Theron grew up in a home filled with
laughter and love Taught to pray and love God he gave his life to Christ at the age of 14 and began to exercise his Christian
faith and beliefs This has continually been a driving force in his life and what has made him the man he is today Theron
enjoys reading and studying the Bible It gave him the foundation in his military service his daily life and in the love for his
family My Incredible Journey DIANAND DENNY BHAGWANDIN,2014-08-23 I came from a poor family but was afforded
all the opportunities to make myself a better person than my parents who did not have those opportunities My childhood days
were hard living on a farm getting up early in the morning doing my chores and then walking two miles to school My high
school days was not as good as expected and I put that to the conditions under which I had to deal with living away from
home sometimes under unpleasant situations and then getting up at 5 00 am to travel by train to Georgetown to get to school
I remember reading that Abraham Lincoln had to walk six miles per day to go to school and he became one of the best
President of the United States of America My studies were cut short to assist my family when they were faced with major
problems I realized that the experience I gained by joining the SSU made me a better person As I began my life anew I was
determined to be successful in whatever my endeavors were Success comes with hard work and perseverance and I took
advantage of all the windows of opportunities that came my way like forming Patrician Phone Corporation and South Jamaica
Services and running for Congress To the readers of my autobiography especially the younger generation I want to tell you
that the sky is not the limit There are many opportunities out there you have to take the time to look for what interests you If
I had to live my life over again I would probably do the same things all over again but I think with less mistakes I have no
regrets because I did it my all way **Judicial Reports / Recueils judiciaires 1997 Volume 3** Int. Criminal Tribunal

Lewis,2011-04-06 The relationship between new religious movements NRMs and violence has long been a topic of intense public interest an interest heavily fueled by multiple incidents of mass violence involving certain groups Some of these incidents have made international headlines When New Religious Movements make the news it s usually because of some violent episode Some of the most famous NRMs are known much more for the violent way they came to an end than for anything else Violence and New Religious Movements offers a comprehensive examination of violence by and against new religious movements The book begins with theoretical essays on the relationship between violence and NRMs and then moves on to examine particular groups There are essays on the Big Five the most well known cases of violent incidents involving NRMs Jonestown Waco Solar Temple the Aum Shunrikyo subway attack and the Heaven s Gate suicides But the book also provides a richer survey by examining a host of lesser known groups This volume is the culmination of decades of research by scholars of New Religious Movements
