to his left side to see a silhouetted animal standing in the middle of the road Isn't that a wolf standing in the middle of the road he thought The wolf was a little different four feet taller than the normal and an enormous one Scott stared at it with a taut jaw It was the first time he had seen such a huge creature and he never even thought they existed The animal stared right back at him with glowing eyes It growled showing its gritted teeth at him Scott's heart began racing and his palms sweating The wolf was moving slowly towards him He jerked up from his seat holding onto his briefcase Then a light suddenly came from the other end of the road He turned his stare to that direction and saw the light coming from a blue SUV's headlights Uncle he thought feeling a sense of relief He turned his head to the left direction again and the wolf had disappeared He sighed deeply and shrugged As predicted the car stopped next to him The horns beeped and the window glass rolled down Scott his uncle shrieked with a large grin on his face His skin was pale like Scott's shaved head wrinkled face probably in his fifties and an imperial shaped beard wearing a black leather jacket blue tattered jeans and brown cowboy shoes Sorry I kept you waiting that long its late come on get inside his uncle continued He took three steps opened the back door and sat down with his brief case placed beside him
