Kennedy MacLean, 2000-08 **America's Songs** Philip Furia, Michael Lasser, 2006-05-12 America s Songs tells the stories behind the most beloved popular songs of the last century We all have songs that have a special meaning in our lives hearing them evokes a special time or place Little wonder that these special songs have become enduring classics Nothing brings the roarin 20s to life like Tea for Two or I m just Wild About Harry the Great Depression is evoked in all of its pain and misery in songs like Brother Can You Spare a Dime God Bless America revives the powerful hope that American democracy promised to the world during the dark days of World War II Young at Heart evokes the postwar optimism of the 50s And then there are the countless songs of love new romance and heartbreak As Time Goes By Always Am I Blue the list is endless Along with telling the stories behind these songs America s Songs suggests simply and succinctly what makes a song great The book illuminates the way each great song melds words and music sentiment and melody into a seamless whole America s Songs also traces the fascinating but mysterious process of collaboration the give and take between two craftsmen a composer and a lyricist as they combined their talents to create a song For anyone interested in the history of the songs that America loves America s Songs will make for fascinating reading

Songs for Other People's Weddings David Levithan, Jens Lekman, 2025-08-05 Witty romantic and deeply satisfying Emma Straub New York Times bestselling author of *This Time Tomorrow* From award winning bestselling author David Levithan and beloved acclaimed singer songwriter Jens Lekman comes a charming tender novel about an unlucky in love wedding singer trying to find the right words to save his relationship J is an accidental wedding singer Unlike most wedding singers he writes an original song for every couple his way of finding out about the small strange things that brought them together and the hopeful vulnerable feelings they re experiencing J s own love life is in a state of flux His girlfriend is off to New York for work and as her life grows bigger and busier without him in it he finds it harder to stick to a happy tune He doesn t know whether to encourage the soon to be wed couples or warn them When complications hit and love is tested is there any way to sing through all the noise Combining David Levithan s deeply observant storytelling and Jens Lekman s inventive and touching original songs *Songs for Other People s Weddings* is a tender honest novel that tracks love through all its chord changes never forgetting that the best songs contain the bitter and the sweet the despair of losing it all and the euphoria of

J. Hocking, 2019-12-24 How many countries experienced a religious revival during the 20th century According to this new book on church revival history there were at the very least twenty such revivals occurring in various parts of the world Revival swept from Asbury University Australia through America and across the European continent all within the space of one century Why This Book I wrote *The Twentieth Revivals of the Century* because there are so many stories that need to be told Stories of sweeping revivals which happened all across the globe Spiritual awakenings that occurred in countries making headlines today sometimes for all the wrong reasons Nations like North Korea's Pyongyang and Japan which incidentally almost became a Christian nation leading up to the twentieth century At this time Christianity began gaining ground at a rapid pace Such was the impact of the revivals covered in this book heading into the twentieth century So can we see a repeat of such revival fervour in the twenty first Century Was the recent Asbury Revival comparable with the one seen there in the 1970s Does it measure up to the same basic criteria or pass the smell test of how recent revivals have come about These question although not directly answered will show the the so called Asbury revival was missing two basic ingredients the preaching of the gospel and conversion of the masses ***And The Music Lives On*** Manek Premchand, 2024-10-30 *And The Music Lives On* is an authoritative
