Martin, 2010-12-14 Not only does *Love in the Balance* have love and excitement but it has issues very close to all of us The Alabama Forum Gaiety Marianne Martin is a wonderful storyteller and a graceful writer with a light witty touch with language and a sensitivity to the emotions of people in love Ann Bannon Real life has a way of sneaking up on you Connie likes men Sure she s just dumped one but she ll find another one soon enough Instead she finds Kasey Who happens to be a woman a lesbian actually Connie reckons they ll be good friends and she soon realizes she wants more But Kasey has already had her heart broken Her ex girlfriend turned out to like men Kasey won t take a chance on that happening again And her friends won t let her either Especially not Sharon If this is love Connie has a lot of convincing to do and a lot of people to win over Just when it seems like maybe she has real life comes sneaking up again Some people hate lesbians hate them enough to kill And it s not obvious that the authorities care Connie and Kasey and Sharon must each put their doubts to the side and work together to get justice Marianne K Martin is the author of eight novels and has been shortlisted three times for the Lambda Literary Award *Summary of Ashley Flowers's The Missing Half* Milkyway Media, 2025-07-23 Buy now to get the main key ideas from Ashley Flowers s *The Missing Half* True crime podcaster Ashley Flowers makes a second foray into fiction in *The Missing Half* 2025 Her first novel *All Good People Here* was a bestseller in 2022 This time out two young women are drawn together by a shared tragedy the unsolved disappearances of their sisters Nicole Monroe s life stalled after her sister Kasey vanished seven years ago Now 24 stuck in a dead end job in Mishawaka Indiana Nicole is still haunted by what happened Jenna Connor s sister Jules went missing two weeks earlier than Kasey She seeks out Nicole and they find that they are united by grief and unanswered questions The two women embark on a relentless search for the truth about their missing halves But as they dig deeper dark secrets shatter everything they thought they knew **All Music Guide to Soul** Vladimir Bogdanov, 2003-08 With informative biographies essays and music maps this book is the ultimate guide to the best recordings in rhythm and blues 20 charts *I'll See You Again* Jackie Hance, 2014-03-04 In this wonderful and courageous Jeannette Walls memoir Jackie Hance shares her story of unbearable loss darkest despair and slowly painfully and miraculously her cautious return to hope and love Until the horrific car accident on New York s Taconic State Parkway that took the lives of her three beloved young daughters Jackie Hance was an ordinary Long Island mom fulfilled by the joyful chaos of a household bustling with life and chatter and love After the tragedy she was The Taconic Mom whose unimaginable loss embodied every parent s worst nightmare Suddenly her lifelong Catholic faith no longer explained the world Her marriage to her husband Warren was ravaged by wrenching grief and recrimination Unable to cope with the unfathomable she reinvented reality each night so that she awoke each morning having forgotten the heartbreaking facts that Emma age 8 Alyson age 7 and Katie age 5 were gone forever They were killed in a minivan driven by their aunt Jackie s sister in law Diane Schuler while returning from a

camping weekend on a sunny July morning I'll See You Again chronicles the day Jackie received the traumatizing phone call that defied all understanding and the numbed and torturous events that followed including the devastating medical findings that shattered Jackie to the core and shocked America But this profoundly honest account is also the story of how a tight knit community rallied around the Hances providing the courage and strength for them to move forward It's a story of forgiveness hope and rebirth as Jackie and Warren struggle to rediscover the possibility of joy by welcoming their fourth daughter Kasey Rose Hance The story that Jackie Hance shares for the first time will touch your heart and warm you to the power of love and hope

Pop Idols and Pirates Charles Fairchild, 2016-04-22 The music industry has been waging some very significant battles in recent years reacting to numerous inter related crises provoked by globalization digitalization and the ever more extensive commercialization of public culture These struggles are viewed by many as central to the survival of the central mediators in the consumption of popular music These battles are not just against piracy and the sharing of digital song files on the internet The music industry is also struggling to find ways to compete or integrate with many other forms of entertainment including films television programmes mobile phones DVDs and video games in an extremely crowded communications environment The battles currently being fought by the music industry are about nothing less than its continued ability to create and maintain specific kinds of profitable relationships with consumers This book presents two inter related cases of crisis and opportunity the music industry's epic struggle over piracy and the Idol phenomenon Both are explicit attempts to control and justify the particular ways in which the music industry makes money from popular music through specific kinds of relationships with consumers The battles over piracy have been fought with a remarkable collection of campaigns consisting of advice coercion and argument about what is or is not the best way to consume music From these complicated and often contradictory campaigns we form an unusually clear picture of what many within the music industry imagine their industry to be In a complementary way Idol works to demonstrate the joy and pleasure of consuming popular music the right way By creating a series of intertwined relationships with consumers around multiple sites of consumption incorporating television radio live performance traditional print media campaigns text messaging and all manner of internet based systems of communication and fan management the producers of Idol present an ideal relationship between musicians and audiences Instead of focusing on selling CDs the music industry's digital Achilles heel Idol has given the music industry an integrated platform for displaying its expanded palette of products and venues for consumption When understood in specific relation to the battle against piracy Fairchild's analysis of Idol and the emerging promotional cultures of the music industry it exhibits shows how multiple sites of consumption and attempts to mediate and control the circulation of popular music are being used to combat the foundational challenges facing the music industry
