Song of the Season Thomas Hischak, 2024-03-21 What links the popular songs You'll Never Walk Alone Send in the Clowns Memory and I Am What I Am They all originated in Broadway musicals Song of the Season is for those who believe that the score is at the heart of a musical and is the essential building block on which the rest of a show is built Through a systematic historical survey from 1891 to 2023 it argues that the best musicals survive because of their songs from early 20th century classics such as Show Boat and Oklahoma through to the contemporary sound of Dear Evan Hansen and Hamilton looking at outstanding songs from each Broadway season the development and history of the musical is illustrated

with a fresh perspective As song styles and popular music tastes changed throughout the decades this structure charts the progress of American showtunes alongside popular music forms as songs evolved from the waltz and ragtime to jazz rock rap and hip hop Factual analysis and historical context combine to offer a rich picture of the American songbook from Irving Berlin to Elton John Song of the Season paints a fresh picture for musical theatre students and fans alike illustrating significant changes in the form through the music Analyzed in an accessible and engaging way that doesn't rely on music theory knowledge and including a link to playlist where all the songs of the seasons can be listened to it is a must have for those looking to expand their knowledge of the form and trace the social history of the American showtune The Song of Songs Edwin M. Good, 2015-04-03 In this mature work of scholarship Edwin Good brings his capable talents to translating interpreting and commenting on the rich work of the Song of Songs Known as one of the earliest biblical exegeses to have opened the door to sophisticated literary criticism he brings this decades long praxis to opening the great poem's depth The volume is concluded by an Afterword by Anita Sullivan the author's wife who is a poet and translator Her reflections on the Song's character and importance as poetry provide another dimension to the discussion *The Song of Arthur* John Matthews, 2002 This companion to Celtic folklorist John Matthews The Song of Taliesin Quest 2001 features seventeen stories never before published in book form interspersed with the author's original poetry in the style of the ancient past whence the tales spring The book is a stunning retelling of legends myths and folktales drawn from the Welsh Mabinogion the Taliesin tradition The Book of Leinster the story of Perceval Malory's Morte d'Arthur and other traditional sources The stories are accompanied by excellent endnotes explaining sources and elucidating points of difficulty but they stand beautifully on their own Taken as a whole they present the characters themes and events of Celtic Grail and Arthurian lore in an authentic literary voice that makes for great reading and great telling The Ancient Wisdom flows forward in many forms One of its streams is surely found in the Arthurian quest for the Grail which is at its core the quest for enlightenment and spiritual mastery Matthews' lucid refashioning of these tales is informed by his deep understanding of their esoteric center Through them the reader may clearly see the Ancient Wisdom shine **Popular Educator**, 1919 *Feminist Companion to the Song of Songs* Athalya Brenner-Idan, 1993-03-01 This volume is the first in a series which provides a fundamental resource for feminist biblical scholarship containing a comprehensive selection of essays both reprinted and specially written for the series by leading feminist scholars **Song of Songs (Brazos Theological Commentary on the Bible)** Paul J. Griffiths, 2011-06-01 Explore how the roots of the ancient Christian tradition inform and shape faithfulness today The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret scripture creedally for the twenty-first century just as the church fathers the Reformers and other orthodox Christians did for their times and places A rich resource for preachers teachers students and study groups the BTC provides guidance for reading the Bible under the rule of faith Each volume in the series includes a Christological focus and framework grounded in the Nicene Creed connections between
