Sri Lanka Serendipity Under Siege:

Sri Lanka Patricia Hyndman, 1988 Based on reports prepared for LawAsia *Social Suffering* Arthur Kleinman, Veena Das, Margaret M. Lock, 1997-12-30 Social Suffering takes in the human consequences of war famine depression disease and torture problems that result from what political economic and institutional power does to people Experts have joined together to investigate the cultural representations of **The Intra-Group Dimensions of Ethnic Conflict in Sri Lanka** Kenneth Bush, 2003-12-09 Through an examination of the critical junctures in post colonial Sri Lanka Kenneth D Bush refines and advances our understanding of the dynamics underpinning violent and non violent ethnic conflict The book enables us to understand how the ebb and flow of relations within ethnic groups affects relations between groups for good or for ill **An Uneasy Hegemony** Shyamika Jayasundara-Smits, 2022-11-10 It departs from the scholarship produced on Sri Lanka and re introduces the neo Marxist approaches through the works of Antonio Gramsci **Postcolonial Insecurities** Sankaran Krishna, 1999 Mistrusting Refugees E. Valentine Daniel, John Chr. Knudsen, 2023-04-28 The twentieth century has seen people displaced on an unprecedented scale and has brought concerns about refugees into sharp focus There are forty million refugees in the world 1 in 130 inhabitants of this planet In this first interdisciplinary study of the issue fifteen scholars from diverse fields focus on the worldwide disruption of trust as a sentiment a concept and an experience Contributors provide a rich array of essays that maintain a delicate balance between providing specific details of the refugee experience and exploring corresponding theories of trust and mistrust Their subjects range widely across the globe and include Palestinians Cambodians Tamils and Mayan Indians of Guatemala By examining what individuals experience when removed from their own culture these essays reflect on individual identity and culture as a whole This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1995 The twentieth century has seen people displaced on an unprecedented scale and has brought concerns about refugees into sharp focus There are forty million refugees in the world 1 in 130 inhabitants of this planet In this first interdisciplinary study of **Peaceful Intervention in Intra-State Conflicts** Chanaka Talpahewa, 2016-03-03 Have we reached an end to the era of peaceful third party intervention in conflict management and resolution In the 1990s with the ending of the Cold War the intervention of third parties as a non violent means of negotiating settlements of intra state conflicts gained prominence but the emphasis in the twenty first century has been increasingly on military responses Peaceful Intervention in Intra State Conflicts Norwegian Involvement in the Sri Lankan Peace Process is an in depth impartial discussion on the background decision making processes and procedures and related actions in the Norwegian facilitated peace process in Sri Lanka that gradually shifted towards a military solution It provides the reader with evidence

based comprehensive analysis on the attempts of peaceful third party intervention in a complex ethno separatist intra state conflict Sri Lanka, Human Rights and the United Nations Thamir Venthan Ananthavinayagan,2019-04-30 This book examines the engagement between the United Nations human rights machinery and the respective governments since Sri Lanka then Ceylon joined the United Nations Sri Lanka has a long and rich history of engagement with international human rights instruments However despite its active membership in the UN the country s post colonial trials and tribulations are emblematic of the limited influence the international organisation has exerted on this country in the Global South Assessing the impact of this international engagement on the country s human rights infrastructure and situation the book outlines Sri Lanka s colonial and post colonial development It then considers the development of a domestic human rights infrastructure in the country It also examines and analyzes Sri Lanka s engagement with the UN s treaty based and charter based human rights bodies before offering conclusions concerning the impact of said engagement The book offers an innovative approach to gauging the impact of international human rights engagement while also taking into account the colonial and post colonial imperatives that have partly dictated governmental behaviour By doing so the book seeks to combine and analyse international human rights law post colonial critique studies on biopower and critical approaches to international law It will be a useful resource not only for scholars of international law but also for practitioners and activists working in this area
