

The background of the slide is a classical painting of St. Irenaeus. He is depicted as an elderly man with a long white beard and hair, wearing a blue and white robe. He is shown from the waist up, holding a long, thin staff or scepter in his right hand. The lighting is dramatic, with strong highlights on his face and the folds of his robe, and deep shadows elsewhere. The overall tone is solemn and reverent.

On the Apostolic Preaching Saint Irenaeus

(Bishop of Lyon.),1997 St Irenaeus is the most important theologian of the second century laying the foundation for all future Christian thinkers Irenaeus tells us that he had known Polycarp who had himself known the apostles and been appointed by them as the bishop of the church of Smyrna This direct contact with the immediate successors of the apostles was of importance for Irenaeus in his later defense of Christian practice and teaching In this work Against the Heresies he was the first to utilize the full range of apostolic writings in his controversy with the Gnostics and others Uniting for the first time the whole history of God s activity in one all encompassing divine economy Irenaeus demonstrates that there is but one God who has made Himself known through His one Son Jesus Christ by the one Holy Spirit to the one human race bringing His creatures made from mud into the intimacy of communion with Himself St Irenaeus Proof of the Apostolic Preaching -
