

ST. JOHN'S EVE

A large, intense bonfire is the central focus, with bright yellow and orange flames reaching high into the twilight sky. The fire is built on a pile of logs and branches on a dark, sandy beach. In the background, a calm sea stretches to the horizon where a small, glowing sunset is visible. A dark, silhouetted hill or cliff rises on the right side of the frame. A group of people, appearing as dark silhouettes, are gathered around the base of the fire, some standing and some sitting, watching the event. The overall atmosphere is one of a traditional summer festival.
