Robinson,Wyatt North, Wyatt

North Publishing is proud to bring you a collection of concise biographies of Catholic and Orthodox Saints You can collect them all Saint Clare of Assisi A Concise Biography comes complete with a Touch or Click Table of Contents divided by each section and the Christian Image Collection a myriad of beautiful colorful religious images Clare was born in Assisi Italy as the eldest daughter of Favorino Scifi Count of Sasso Rosso and his wife Ortolana Ortolana was a very devout woman who had undertaken pilgrimages to Rome Santiago de Compostela and the Holy Land Later on in her life Ortolana entered Clare s monastery together with Agnes Clare s sister Clare was always devoted to prayer as a child When she turned 15 her parents wanted her to marry a young and wealthy man but she originally wanted to wait until she was 18 But when she was 18 she had heard Francis s preachings Those preachings were beginning to change her life He told her she was a chosen soul from God Soon on Palm Sunday when people went to grab their palm branches she stayed On that very night she ran away to go follow Francis When she got there he cut her hair and dressed her in a black tunic and a thick black veil Clare was put in the Benedictine nuns near Bastia and was almost pulled by her father for originally he wanted her to marry at age of 15 Clare and her sister Agnes soon moved to the church of San Damiano which Francis himself had rebuilt Other women joined them there and San Damiano became known for its radically austere lifestyle The women were at first known as the Poor Ladies San Damiano became the focal point for Clare s new religious order which was known in her lifetime as the Order of San Damiano San Damiano was long thought to be the first house of this order however recent scholarship strongly suggests that San Damiano actually joined an existing network of women s religious houses organized by Hugolino who later became Pope Gregory IX Hugolino wanted San Damiano as part of the order he founded because of the prestige of Clare s monastery San Damiano emerged as the most important house in the order and Clare became its undisputed leader By 1263 just ten years after Clare s death the order became known as the Order of Saint Clare You can buy other wonderful religious books from Wyatt North Publishing Princess of Poverty Fiege Marianus,1901 **Clare of Assisi and the Thirteenth-Century Church** Catherine M. Mooney,2016-08-10 In a work based on a meticulous analysis of sources many of them previously unexplored Catherine M Mooney upends the received account of Clare of Assisi s founding of the Order of San Damiano or Poor Clares Mooney offers instead a stark counternarrative Clare her sisters of San Damiano and their allies struggled against a papal program bent on regimenting enriching and enclosing religious women in the thirteenth century a program that proved largely successful Mooney demonstrates that Clare 1194 1253 established a single community that was soon

cajoled perhaps even coerced into joining an order previously founded by the papacy Artfully renaming it after Clare s San Damiano with Clare as its putative mother Pope Gregory IX enhanced his order s cachet by associating it also with Clare s famous friend Francis of Assisi Mooney traces how Clare and her allies in other houses attempted to follow Francis s directives rather than the pope s divested themselves of property against the pope s orders and organized in an attempt to change papal rule and she shows how after Francis s death the women s relationships with the Franciscans themselves grew similarly fraught Clare s pursuit of her vision proved relentless at the time of her death she newly identified her community as the Order of Poor Sisters and allied it unambiguously with Francis and his friars Overturning another myth Mooney reveals how only in the late nineteenth century did Clare come to be known as the sole author of a rule she had written collaboratively with others Throughout the story of Clare and her sisters emerges as a chapter in the long history of women who tried to define their religious identities within a Church more committed to unity and conformity than to diversity and difference
