The Complete Works of Saint John of the Cross, of the Order of Our Lady of Mount Carmel John [de Yepes] (of the Cross, St.),1864

St. John of the Cross OCT Peter Tyler,2010-04-30 Peter Tyler endeavours to represent St John of the Cross in the truest light covering his life from the angles of John as Theologian as Mystic Psychologist and Artist Tyler draws parallels at times uncomfortable between the age of disruption and and change in the church during which St John wrote and our current age In so doing he makes the case for this controversial but largely misunderstood figure to be an important guide for practical theology today

Faith According to Saint John of the Cross John Paul II,2009-02-25 The attraction to Pope John Paul II was an attraction no just to the human charism and magnetism of the Pope It was an attraction to a profoundly spiritual human being who lives Christ radiates Christ and resounds Christ All of the speeches homilies letters and the encyclical Jesus Christ the Redeemer of Man are a proclamation of Christ the Way the Truth and the Light The Pope is in name and in fact an Alter Christus Another Christ as well as the Vicar of Christ To help us appreciate this basic spiritual element in our Holy Father the gifted American Dominican theologian Jordan Aumann former Director of the Institute of Spirituality at St Thomas Aquinas University Rome has translated the Holy Father s doctoral thesis on Faith According to St John of the Cross It is my fervent hope that the reading of this translation will help many not only to know God better but to live His divine life to that fullness of life promised by Christ John Cardinal Krol Archbishop of Philadelphia from the Foreword

Queer God de Amor Miguel H. Díaz,2022-09-13 Queer God de Amor explores the mystery of God and the relationship between divine and human persons It does so by turning to the sixteenth century writings of John of the Cross on mystical union with God and the metaphor of sexual relationship that he uses to describe this union Juan s mystical theology which highlights the notion of God as lover and God s erotic like relationship with human persons provides a fitting source for rethinking the Christian doctrine of God in John s own words as un no s qu an I know not what In critical conversations with contemporary queer theologies it retrieves from John a preferential option for human sexuality as an experience in daily life that is rich with possibilities for re sourcing

and imagining the Christian doctrine of God Consistent with other liberating perspectives it outs God from heteronormative closets and restores human sexuality as a resource for theology This outing of divine queerness that is the ineffability of divine life helps to align reflections on the mystery of God with the faith experiences of queer Catholics By engaging Juan de la Cruz through queer Latinx eyes Miguel D az continues the objective of this series to disrupt the cartography of theology latinamente

Saint John of the Cross Donald Haggerty, 2022-03-14 Saint John of the Cross is the Church's premier teacher on contemplative prayer Catholic tradition even calls him the Mystical Doctor The sixteenth century Carmelite priest not only wrote four massive treatises on the spiritual life along with some of the finest poetry in the Spanish language but also worked alongside Teresa of Avila in renewing the Carmelite order Thérèse of Lisieux claimed she found no other spiritual reading that could satisfy her soul like John of the Cross Yet the volume and intensity of Saint John's work can make his teachings seem daunting even to trained theologians This book by Father Donald Haggerty author of *The Contemplative Hunger* and *Contemplative Enigmas* offers readers a unique step by step introduction to the way of contemplation as Saint John understood it and taught it a burning transformative intimacy with the God who made us Furnished abundantly with quotations from across the Mystical Doctor's writings this guidebook confronts the mysteries difficulties and joys of prayer showing how silent contemplation prepares our hearts for an unspeakable love For all his theological richness Saint John gave practical realistic advice on navigating the world of contemplation and Father Haggerty a spiritual director for decades applies these principles to our lives today Whether you are new to prayer or have been praying since childhood you will find an illuminating and surprising companion in Saint John of the Cross Master of Contemplation
