Staking A Claim Feminism Bureaucracy And The State:

Staking a Claim Suzanne Franzway, Dianne Court, R. W. Connell, 2025-09 First published in 1989 *Staking a Claim* brings feminist experience and social theory together to produce a systematic view of the State as an agent in sexual politics thereby placing in question the nature of the State itself It will be a beneficial read for students and researchers of sociology

State Feminism and Political Representation Joni Lovenduski, 2005-11-24 How can women maximise their political influence Does state feminism enhance the political representation of women Should feminism be established in state institutions to treat women's concerns Written by experts in the field this 2005 book uses an innovative model of political influence to construct answers to these and other questions in the long running debate over the political representation of women The book assesses how states respond to women's demands for political representation both in terms of their inclusion as actors and the consideration of their interests in the decision making process Debates on the issue vary from country to country depending on institutional structures women's movements and other factors and this book offered the first comparative account of the subject The authors analyse eleven democracies in Europe and North America and present comprehensive research from the 1960s to the present

Education, Globalisation and New Times Stephen J. Ball, Ivor F. Goodson, Meg Maguire, 2007-03-08 *Education Globalisation and New Times* comprises a selection of the most influential papers published over the twenty one years of the *Journal of Education Policy* Written by many of the leading scholars in the field these seminal papers cover a variety of subjects sectors and levels of education focused around the following major themes education globalisation and new times policy theory and method policy and equity Compiled by the journal's editors Stephen Ball Ivor Goodson and Meg Maguire the book illustrates the development of the field of education policy studies and the specially written Introduction contextualises the selection whilst introducing students to the main issues and current thinking in the field

Femmes Et L'État Canadien Caroline Andrew, Sandra Rodgers, 1997 A collection of essays presented at a conference to commemorate the twentieth anniversary of the release of the Report of the Royal Commission on the Status of Women Women and the Canadian State both celebrates and critically assesses the Report Women bureaucrats activists and academics consider the impact successes and failures of the Report from a variety of viewpoints and reflect on the experience of Canadian women since its publication in 1970

Putting Feminism to Work Suzanne Egan, 2020-11-23 This book explores the place of feminism and uptake of trauma in contemporary work against sexual violence Egan presents a refreshing alternative position on arguments about the co-optation or erasure of feminism within institutionalized professionalized services for sexual assault victims Using original research on Australian sexual assault services *Putting Feminism to Work* effectively illustrates how feminist concepts and ideas have become routinized in contemporary services and enacted in daily practices with survivors and communities The book engages with yet resists the notion that feminist engagement with knowledge trauma based in psychiatry and clinical psychology is incompatible with feminism or inevitably

reduces sexual violence to a problem of individual healing Indeed Egan argues that the productive ways practitioners integrate neurobiological understandings of trauma into their work suggests rich possibilities for reintroducing a non essentialist biology of the body into feminist theories of sexual violence Scholars students and practitioners working in the fields of violence against women sociology women s and gender studies health social work and policy studies as well as the emerging field of sociologically informed trauma studies will find this book of interest **State Power** Bob

Jessop,2013-04-26 Bob Jessop presents an up to date account of his distinctive approach to the dialectics of structure and strategy in the exercise of state power While his earlier work critically surveys other state theories this book focuses on the development of his own strategic relational approach It introduces its main sources outlines its development applies this approach to four case studies and sketches a strategic relational research agenda Thus the book presents a comprehensive theoretical statement of the approach and guidelines for its application Key features of the book include an account of the authors theoretical development a review of recent developments in state theory and the cultural turn in political economy critical strategic relational re readings of major state theorists Marx on political representation Gramsci on the spatiality of state power Poulantzas on the state as a social relation and the later Foucault on statecraft applications of the strategic relational approach to important issues concerning the contemporary state its gendered selectivity the future of the national state the states temporal sovereignty and the relevance of multi scalar meta governance in Europe for the more general future of the state The book concludes with recommendations for future strategic relational research in political economy and state theory **The Interplay Between Gender, Markets and the State in Sweden, Germany and the United States** Lilja Mosesdottir,2024-11-01 This title was first published in 2001 The development of gender relations during the post war period in Sweden Germany and the US forms the core of this work It looks at the hierarchical relations between men and women based on economic political social and biological differentiations The analytical focus is primarily on how actors cultural norms and institutional arrangements interrelate and affect the relative position of men and women to create patterns forms of gender relations that vary across countries and change through time The main advantages of a comparative study is that it highlights the differences and similarities of the countries being compared This book argues that social blocks involving a stable system of relations that have challenged and become embedded into institutional arrangements are the main force creating differences in the patterns of gender relations across the countries *International Encyclopedia of Public Policy and Administration Volume 2* Jay M. Shafritz,2019-03-22 This encyclopedia includes entries on the concepts issues and theories starting with alphabets D to K that define public policymaking evaluation management and implementation It also includes entries on the individuals commissions and organizations that have contributed to these fields Feminist Review The Feminist Review Collective,2005-08-03 Feminist Review is the UK s leading feminist journal It has a unique place in the women s movement internationally This issue focusing on Nationalism and National Identities

features articles by Nahid Yegeneh and Catherine Hall **Politics** Virginie Mamadouh, 2017-05-15 Depending on the breadth or narrowness of the understanding of politics and the political politics in human geography is defined as either the operation of power in all social relations or the workings of power directed to or by the state This volume avoids the two extremes by acknowledging the transformation of approaches to the political in human geography over the past few decades but also by highlighting the continued importance of the more traditional state based conception of politics The selected articles are clustered around six themes new agendas in political geography state territoriality international relations and globalization internal territorial organisation and geographical scale social movements and electoral participation and identities and citizenship
