Lee Thompson Steve Chibnall, 2021-06-15 First published on the fiftieth anniversary of his directorial debut this book was the first to examine the work of a man once hailed as the finest film maker to emerge from the British studio system after the Second World War Before being recruited by Hollywood J Lee Thompson made a string of classic films including Yield to the Night 1956 Ice Cold in Alex 1958 Tiger Bay 1959 North West Frontier 1959 and The Guns of Navarone 1961 He worked in the Hollywood industry into his late eighties making nearly thirty films as a director and producer between 1960 and 1990 He remains best known however for his first the immortal thriller Cape Fear 1962 Drawing on extensive interview material Steve Chibnall traces Lee Thompson's career in British cinema and offers an analysis of his films which reveals remarkable and previously unacknowledged continuities of style and theme This is a book for anyone interested in the history of British cinema and particularly those who enjoy the best of 1950s and 1960s film **The Tame and the Wild** Marcy

Norton, 2024-01-09 Marcy Norton tells a new history of the European colonization of the Americas one that places wildlife and livestock at the center of the story She reveals that it was above all the encounters between European and Native American beliefs about animal life that transformed societies on both sides of the Atlantic **Shepherds** Daniel C.

Fredericks, 2017-04-27 How does God manage his entire creation Has he had a plan a theme a metanarrative or something else which he follows that gives a unity to all of his efforts Shepherds describes the relationship between the Creator and his creation a relationship that is structurally integrated by the very core of who God is There is a design within creation that radiates from his personal unique being What God created and how he manages it is a marvelous extension of who he is and how he acts This relationship between God and his creation is not patterned only on his essence or being but on his powerful and loving will and acts Rather than a literary grid to which theme and metanarrative attempt to subject God's relationship with humanity Shepherds recognizes that all of creation bears the eternal design emanating from God's very nature

Scripture is not a story about Israel or the church it is not simply a story of redemption it is a window into the eternal design by which God created reality and will eternally sustain that creation
