W. HIGGINS

Stalking The Holy The Pursuit Of Saintmaking

Zuzanna Bogumił, Yuliya Yurchuk

Stalking The Holy The Pursuit Of Saintmaking:

Stalking the Holy Michael W. Higgins, 2006 In *Stalking the Holy* writer and scholar Michael W Higgins explores the Roman Catholic pursuit of saint making the pre eminent Christian model he argues with its elaborate features and arcane cast of players such as the relator and the promotor of the faith He points out that if saints are not actually made so much as recognized by the Church nevertheless this official recognition is a form of manufacture involving motivation expertise and risk

A Saint of Our Own Kathleen Sprows Cummings, 2019-04-08 What drove U S Catholics in their arduous quest full of twists and turns over more than a century to win an American saint The absence of American names in the canon of the saints had left many of the faithful feeling spiritually unmoored But while canonization may be fundamentally about holiness it is never only about holiness reveals Kathleen Sprows Cummings in this panoramic passionate chronicle of American sanctity Catholics had another reason for petitioning the Vatican to acknowledge an American holy hero A home grown saint would serve as a mediator between heaven and earth yes but also between Catholicism and American culture Throughout much of U S history the making of a saint was also about the ways in which the members of a minority religious group defined defended and celebrated their identities as Americans Their fascinatingly diverse causes for canonization from Kateri Tekakwitha and Elizabeth Ann Seton to many others that are failed forgotten or still under way represented evolving national values as Catholics made themselves at home Cummings s vision of American sanctity shows just how much Catholics had at stake in cultivating devotion to men and women perched at the nexus of holiness and American history until they finally felt little need to prove that they belonged

Preaching with Their Lives Margaret M. McGuinness, Jeffrey M. Burns, 2020-11-03 This volume tells the little known story of the Dominican Family priests sisters brothers contemplative nuns and lay people and integrates it into the history of the United States Starting after the Civil War the book takes a thematic approach through twelve essays examining Dominican contributions to the making of the modern United States by exploring parish ministry preaching health care education social and economic justice liturgical renewal and the arts missionary outreach and contemplative prayer ongoing internal formation and renewal and models of sanctity It charts the effects of the United States on Dominican life as well as the Dominican contribution to the larger U S history When the country was engulfed by wave after wave of immigrants and cities experienced unchecked growth Dominicans provided educational institutions community social and religious centers and health care and social services When epidemic disease hit various locales Dominicans responded with nursing care and spiritual sustenance As the United States became more complex and social inequities appeared Dominicans cried out for social and economic justice Amidst the ugliness and social dislocation of modern society Dominicans offered beauty through the liturgical arts the fine arts music drama and film all designed to enrich the culture Through it all the Dominicans cultivated their own identity as well undergoing regular self examination and renewal

Policy and the Popular David Looseley, 2014-06-11 The book is an interdisciplinary exploration

of the complexities of popular culture as a category of public policy It approaches the notions of cultural policy and popular culture flexibly examining what each comes to mean explicitly or implicitly in relation to the other This generates a rich variety of approaches but also a number of identifiable commonalities We start from the proposition that popular culture is largely absent as an explicit category of arts policy and debate today The arts are still in practice construed in terms of elite culture despite claims to the contrary while artefacts such as popular music television fashion and so on are assumed to figure among the cultural or creative industries giving the popular a set of narrowly economic professional and commodity connotations And yet the popular is in a range of ways powerfully present as an implicit dimension of public policy and as a catalyst of cultural practices and attitudes This apparent paradox underpins the proposal The book is a collaboration between two UK based institutions the University of Leeds s Popular Cultures Research Network and the well established Centre for Cultural Policy Studies at the University of Warwick This book was originally published as a special issue of *International Journal of Cultural Policy*

The Jesuit Disruptor Michael W. Higgins, 2024-09-10 A fresh look at a complex pope with a simple agenda radically reforming the Catholic Church Jorge Mario Bergoglio is the consummate disruptor disrupting archaic modes of church governance disrupting our collective spiritual complacency in the face of new challenges to our human flourishing while at the same time remaining deeply faithful to the organic traditions of the church He is the leader of the Roman Catholic Church but beyond that he is a universal leader with commanding moral presence able to connect with laypeople and with non Christian faiths Pope Francis is also a credible moral voice on issues of immigration economic inequity the devastating consequences of political populism and the accelerating threats to the environment in spite of the fact that he faces deep infrastructure and governance scandals in his organization In his determination to reform the Vatican and ensure the Catholic faith evolves in a way that is relevant to the 21st century Francis is very much carrying on the tradition of the Jesuits an order known for their work in education humanitarian missions and social justice A deep understanding of the Jesuit order informs Michael W Higgins s approach in this novel reading of a papacy unlike any other

The Death and Afterlife of the North American Martyrs Emma Anderson, 2013-11-18 In the 1640s eight Jesuit missionaries met their deaths at the hands of native antagonists With their collective canonization in 1930 these men became North America s first saints Emma Anderson untangles the complexities of these seminal acts of violence and their ever changing legacy across the centuries While exploring how Jesuit missionaries perceived their terrifying final hours she also seeks to comprehend the motivations of those who confronted them from the other side of the axe musket or caldron of boiling water and to illuminate the experiences of those native Catholics who though they died alongside their missionary mentors have yet to receive comparable recognition as martyrs In tracing the creation and evolution of the cult of the martyrs across the centuries Anderson reveals the ways in which both believers and detractors have honored and preserved the memory of the martyrs in this afterlife and how their powerful story has been continually reinterpreted in the collective

imagination As rival shrines rose on either side of the U S Canadian border these figures would both unite and deeply divide natives and non natives francophones and anglophones Protestants and Catholics Canadians and Americans forging a legacy as controversial as it has been enduring

Soldier of Christ Robert A. Ventresca, 2013-01-15 This well crafted biography presents a balanced but not uncritical examination of the life of a controversial pope Library Journal Debates over the legacy of Pope Pius XII are so heated they are known as the Pius wars *Soldier of Christ* focuses instead on Eugenio Pacelli the flawed yet gifted man himself While offering insight into the pope s response to Nazism Robert A Ventresca argues that it was the Cold War and Pius XII s manner of engaging with the modern world that defined his pontificate Ventresca begins with the story of Pacelli s Roman upbringing his intellectual formation in Rome s seminaries and his interwar experience as papal diplomat and Vatican secretary of state Accused of moral equivocation during the Holocaust Pius XII later fought the spread of Communism spoke against the persecution of Catholics and tackled a range of social and political issues By appointing the first indigenous cardinals from China and India and expanding missions in Africa he internationalized the church s membership and moved Catholicism beyond the colonial mentality of previous eras Drawing from a diversity of international sources including unexplored documentation from the Vatican Ventresca reveals a paradoxical figure a prophetic reformer of limited vision whose leadership both stimulated the emergence of a global Catholicism and sowed doubt and dissension among some of the church s most faithful servants

The Catholic Studies Reader James Terence Fisher, Margaret M. McGuinness, 2011 Divided into five interrelated themes sources and contexts traditions and methods pedagogy and practice ethnicity race and Catholic studies and the Catholic imagination the editors provide readers with the opportunity to understand the great diversity within this area of study

Memory and Religion from a Postsecular Perspective Zuzanna Bogumił, Yuliya Yurchuk, 2022-02-27 The book argues that religion is a system of significant meanings that have an impact on other systems and spheres of social life including cultural memory The editors call for a postsecular turn in memory studies which would provide a more reflective and meaningful approach to the constant interplay between the religious and the secular This opens up new perspectives on the intersection of memory and religion and helps memory scholars become more aware of the religious roots of the language they are using in their studies of memory By drawing on examples from different parts of the world the contributors to this volume explain how the interactions between the religious and the secular produce new memory forms and content in the heterogenous societies of the present day world These analyzed cases demonstrate that religion has a significant impact on cultural memory family memory and the contemporary politics of history in secularized societies At the same time politics grassroots movements and different secular agents and processes have so much influence on the formation of memory by religious actors that even religious ecclesiastic and confessional memories are affected by the secular This volume is ideal for students and scholars of memory studies religious studies and history

Journey to the Sun Gregory Orfalea, 2014-01-14 The narrative of the remarkable life of Junipero

Serra the intrepid priest who led Spain and the Catholic Church into California in the 1700s and became a key figure in the making of the American West In the year 1749 at the age of thirty six Junipero Serra left his position as a highly regarded priest in Spain for the turbulent and dangerous New World knowing he would never return The Spanish Crown and the Catholic Church both sought expansion in Mexico the former in search of gold the latter seeking souls as well as entry into the mysterious land to the north called California By his death at age seventy one Serra had traveled more than 14 000 miles on land and sea through the New World much of that distance on a chronically infected and painful foot baptized and confirmed 6 000 Indians and founded nine of California s twenty one missions with his followers establishing the rest

Unveiling the Power of Verbal Art: An Mental Sojourn through **Stalking The Holy The Pursuit Of Saintmaking**

In a world inundated with displays and the cacophony of instant transmission, the profound energy and mental resonance of verbal art usually diminish into obscurity, eclipsed by the regular onslaught of sound and distractions. promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Stalking The Holy The Pursuit Of Saintmaking full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Stalking The Holy The Pursuit Of Saintmaking eBooks, including some popular titles.

FAQs About Stalking The Holy The Pursuit Of Saintmaking Books

What is a Stalking The Holy The Pursuit Of Saintmaking PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Stalking The Holy The Pursuit Of Saintmaking PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Stalking The Holy The Pursuit Of Saintmaking PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Stalking The Holy The Pursuit Of Saintmaking PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Stalking The Holy The Pursuit Of Saintmaking PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or

may not be legal depending on the circumstances and local laws.
