Stalky Co:

The Complete Stalky & Co Rudyard Kipling, 1999 Kipling appears as the central character Beetle in this charming collection of school stories **Stalky & Co** Rudyard Kipling, 2002 Stalky Co is the hilarious tale of the coming of age of three roguish boys at an English public school With a seemingly unending supply of practical jokes and ingenious japes to frustrate and thwart their long suffering schoolmasters the three pranksters eventually find their match in their wise and all too experienced headmaster Based on his own school days Kipling has captured the eternal spirit of the English public school and painted an intimate and understanding portrait of his young heroes *Stalky & Company* Rudyard Kipling, 1899 A collection of school stories centering around adolescent boys at a British boarding school whose juvenile protagonists display a know it all cynical outlook on patriotism and authority **The Complete Stalky & Co** Rudyard Kipling, 2009-02-26 Kipling portrays school as the first stage of a much larger game a pattern maker for the experiences of life Implied throughout the stories is the question What happened to these fifteen year old boys and how did the lessons they learned at school apply to the world of warfare and imperial government The stories are based on Kipling s own school the United Services College at Westward Ho in Devon which prepared boys destined for the army or for colonial service Kipling himself appears as the subordinate character Beetle This edition includes five Stalky stories which did not appear in the original volume and thus constitutes a Complete Stalky Co ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **Mark Twain & Company** Leland Krauth, 2003 In this comparison of Mark Twain with six of his literary contemporaries Leland Krauth looks anew at the writer s multifaceted creativity Twain a highly lettered man immersed in the literary culture of his time viewed himself as working within a community of writers He likened himself to a guild member whose work was the crafted product of a common trade and sometimes made with borrowed materials Yet there have been few studies of Twain in relation to his fellow guild members In Mark Twain the humor and social criticism of Twain and Howells the use of the Gothic by Twain and Stowe to explore racial issues the role of Victorian Sage assumed by Arnold and Twain to critique civilization the exploitation of adventure fiction by Twain and Stevenson to reveal conceptions of masculinity and the use of the picaresque in Kipling and Twain to support or subvert imperialism Mark Twain Company casts new light on some of the most enduring writers in English At the same time it refreshes the debate over the transatlantic nature of Victorianism with new insights about nineteenth century morality conventionality race corporeality imperialism manhood and individual identity **Stalky & Co. (1899) Novel by** Rudyard Kipling, 2016-04-26 Stalky Co is a novel by Rudyard Kipling about adolescent boys at a British boarding school It was first published in 1899 following serialisation in the Windsor Magazine Reflecting its origins the novel

is episodic in nature with self contained chapters It is set at an unnamed school referred to as the College or the Coll which is based on the United Services College in Devon which Kipling attended The character Beetle one of the main trio is partly based on Kipling himself while the charismatic character Stalky is based on Lionel Dunsterville M Turk is based on George Charles Beresford and Mr King is based on William Carr Crofts The stories have elements of revenge the macabre bullying and violence and hints about sex making them far from childish or idealised For example Beetle pokes fun at an earlier more earnest boys book Eric or Little by Little thus flaunting his more worldly outlook There is also some information about Stalky in later life **Stalky and Co** , The Speaker ,1899 Stalky & co Rudyard Kipling,1916 *From Morality to Mayhem* Julian Lovelock,2018-10-25 The stories we read as children are the ones that stay with us the longest and from the nineteenth century until the 1950s stories about schools held a particular fascination Many will remember the goings on at such earnest establishments as Tom Brown s Rugby St Dominic s Greyfriars the Chalet School Malory Towers and Linbury Court In the second part of the twentieth century with more liberal social attitudes and the advent of secondary education for all these moral tales lost their appeal and the school story very nearly died out More recently however a new generation of compromised schoolboy and schoolgirl heroes Pennington Tyke Tiler Harry Potter and Millie Roads have given it a new and challenging relevance Focusing mainly on novels written for young people *From Morality to Mayhem* charts the fall and rise of the school story from the grim accounts of Victorian times to the magic and mayhem of our own age In doing so it considers how fictional schools not only reflect but sometimes influence real life This captivating study will appeal to those interested in children s literature and education both students and the general reader taking us on a not altogether comfortable trip down memory lane
