Curriculum Development in English for Academic Purposes Martin Guardado,Justine Light,2020-05-29 This book introduces and explains a series of tools for curriculum renewal and revitalization in English for Academic Purposes EAP programs based on the experiences of the authors in successfully implementing a new curriculum in a large EAP program in North America The book focuses on the why and how of introducing curriculum change while also engaging critically with the realities of day to day classroom practice and the important issue of teacher engagement While maintaining a principles driven approach each chapter is also filled with tools samples and case study examples grounding the book in practice and making it an essential resource for language teachers teacher trainers and students on TESOL and related courses

The Routledge Handbook of Language Program Development and Administration Alan V. Brown,Cori Crane,Beatrice C. Dupuy,Estela Ene,2025-06-30 Second language program development and administration is a long standing area within the larger field of applied linguistics In many ways it is the quintessential applied linguistics field as it crosses disciplinary boundaries while balancing the rigors of scholarly inquiry with the demands of practical application without losing sight of concrete learner outcomes The Routledge Handbook of Language Program Development and Administration provides a scholarly rigorous yet practically relevant treatment of issues implicated in program development and administration with 52 chapters written by leading scholars in the field Authors not only address the theoretical underpinnings of their respective topics but also provide actionable evidence based recommendations concerning eminently practical matters In this way the volume provides both novice and experienced

language program administrators with important guidance on how to think about the work that they do and how best to go about it while also validating language program administration as a scholarly area of inquiry The Routledge Handbook of Language Program Development and Administration is essential reading for practicing second language program administrators at the post secondary level in service and pre service second language instructors graduate students in applied linguistics and even upper level undergraduate education students considering second language teaching as a future career Chapters 9 and 11 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
