*The Goshawk* T.H. White, 2007-10-02 This account of one man s tempestuous relationship with the hawk he trained is at once a comedy of errors a classic of nature writing and one of the best glimpses into the world of falconry The predecessor to Helen Macdonald s *H is for Hawk* T H White s nature writing classic *The Goshawk* asks the age old question what is it that binds human beings to other animals White the author of *The Once and Future King* and *Mistress Masham s Repose* was a young writer who found himself rifling through old handbooks of falconry A particular sentence the bird reverted to a feral state seized his imagination and he immediately wrote to Germany to acquire a young goshawk Gos as White named the bird was ferocious and free and White had no idea how to break him in beyond the ancient of depriving him of sleep Slowly man and bird entered a state of delirium and intoxication of attraction and repulsion that looks very much like love White kept a daybook describing his volatile relationship with Gos at once a tale of obsession a comedy of errors and a hymn to the hawk It was this that became *The Goshawk* one of modern literature s most memorable and surprising encounters with the wilderness as it exists both within us and without
