

Gospel of Jesus Christ

God

The Bible explains that God created everything including us. He has the right to tell us how to live. Sin is the rejection of God's authority over us. God is loving, and He is righteous. He will not ignore sin and leave the guilty unpunished.

Man

We rejected God and are guilty of sin. Sin has corrupted every part of our human existence. Our entire being is under sin's power. The penalty of sin is both physical and spiritual death. Our final destiny is eternal active judgment in hell.

Christ

Jesus is fully God and man. He came to die on the cross as a substitute for His people and to pay sin's penalty. Jesus rose from the dead, assuring us that God's wrath is satisfied. Sinners can be freed from sin's power and reconciled with God.

Response

We must turn away from our sin and trust in Jesus and nothing else to save us from sin and the coming judgment. When we repent and believe in Jesus, all our sin is placed on Jesus, and the perfect life Jesus lived is credited to us.

The Gospel God Man Truth:

The Gospel: God, Man, and Truth David H. Yarn, 1965 *Believing has a Beginning* Moreno Dal Bello, 2015-11-08
Everything has a beginning Like all things in life believing too has a beginning The Christian life has a beginning Which begs the question what is it that changes a man from non Christian a lost person to a Christian a saved person What makes the difference The fact of the matter is there is no Christian life before believing and no believing without the Gospel of God To be a Christian a child of God one must believe the Gospel of God No one expects to be a Christian whose faith is in the Buddhist gospel and no one expects to be a Buddhist believing the Christian Gospel So we see that to be a Christian one must believe Christ one must believe HIS Gospel and no one else s **The Gospel** David H. Yarn, Jr., 2023 New Religions and the Theological Imagination in America Mary Farrell Bednarowski, 1989-11-22 Bednarowski is especially good at elucidating the theological daring of these new American religions She demonstrates in a very few pages how theology and group adherence made the individual count a configuration simultaneously American un American and important Jon Butler The cultural confrontation with these new religions is very real and usually very misinformed Bednarowski has gone to great lengths to dispel the ignorance The Christian Century A groundbreaking study Syzygy Journal of Alternative Religion and Culture Organized as a series of theological conversations about ultimate questions this book offers a guide to the answers these six religions offer Drawing heavily on sources from the movements themselves it presents a balanced comparative account of the emerging theological systems of America s new religions Philosophical Divides Rev. Justin (Popovic), 2013-11-28 Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com> 2023 01 book inventory vladimir djambov talmach.html Before going away Man s thought is insatiable driven by some kind of innate instinct it passionately rushes from one problem into another and cannot have enough And so on and on forever until it subdues the two sided single issue the issue of God and of man in its essence the all issue the solution of which defines the fate of man in all the worlds You are rushing after man s secret And what have you come across Of course terrible precipices where both your mind and your heart and your conscience get broken into pieces Oh Through what darkness and through what precipices leads the way to the truth about man Here the thought goes crazy because of pain of anguish of groaning as if you have stepped into an endless hell where weeping and gnashing of teeth reign And all this shall continue until such time that after all these darknesses and precipices you shall not find the Cherubim essence of the human being God Thus you would have stepped on the path of light leading to a perfect solution to all the major problems of human being in all lives To All the Weak the Feeble and the Little Ones like me With love dedicated to M and to M Know that you better come to realize that You do what your father does all the worthy things he does you do too You need only remember him with GRATITUDE every night and every crisis at least and all his sweetness strength and riches are yours for the asking I hear some of you

saying they know not their father They may well not know him but their heart does So you too You just listen GRATITUDE You hear out again and again GRATITUDE And you experience GRATITUDE At first it seems as if you were giving thanks No The second or the third time around you already know Who the Giver of all is all you have to do is attune your heart and let it FEEL the GRATITUDE and you experience the downpour of all mercies goods kindness and all the merits of the Giver of all Christ Who gives everything TO ALL hears everything and first responds to GRATITUDE And yes you do what your Father does With heart felt GRATITUDE what used to be nothing more but mimicking or play is all too real You are still weak feeble and little but you really do what your Father does Glory be to God for everything The Lord is with us **Truth for**
