The Gospel In Exodus:

The Gospel in Exodus Henry Law, 2018 Henry Law was Dean of Gloucester from 1862 until his death in 1884 He is especially known for his work entitled *Christ is All The Gospel in the Pentateuch* which surveys typologies of Christ in the first five books of the Old Testament It was originally published in 1867 This is part two dealing with the types in Exodus

The Gospel in Exodus Eleanor Herr Boyd, 1919 *The Gospel of Exodus* Henry Law, 2025-05-30 What has the Exodus in common with the Christ of the New Testament How are we to read and understand the book of Exodus in the wider perspective of God's redemptive plan for humanity In the New Testament we find various references to the book of Exodus including the wonderful discourse of Christ on the road to Emmaus showing them Christ beginning with Moses But how are we to recognize Christ in the book of Exodus Henry Law dean of Gloucester in the 18th century drives us through the book of Exodus to discover together *The Gospel of Exodus* to help us see how the Word of God reveals in a prophetic and typical manner the plan of redemption made even before the creation of this Universe This book was originally published in 1855 Current edition has been proofread typeset for eBook readers and lightly updated for modern readers ***The Gospel of Exodus*** Michael P. V. Barrett, 2020-09-20 Michael P V Barrett surveys Exodus giving special attention to the theological message of this formative Old Testament book In doing so he demonstrates that the real history of the exodus providentially serves as a paradigm of salvation Through the three main themes of misery deliverance and gratitude Exodus reveals God's power and faithfulness in keeping His covenant promise to deliver His people from the bondage of sin to the service of grace Thus it is pictorial prophecy of spiritual truths that find ultimate fulfillment in the person and work of Christ Reading *The Gospel of Exodus* will help you do more than learn key facts of the exodus It will teach you why those facts matter and help you see the spiritual benefits God intends for us regarding our own need of grace Table of Contents Part 1 The Facts of the Matter Chapter 1 Exodus A Paradigm of Salvation Chapter 2 Exodus Real History Part 2 The Matter of the Facts Misery Chapter 3 Misery The Need for Deliverance Deliverance Chapter 4 Deliverance The Emancipator's Excursus 1 Yahweh or Jehovah Chapter 5 Deliverance The Reason Chapter 6 Deliverance The Means Irresistible Power Chapter 7 Deliverance The Means Substitutionary Sacrifice Chapter 8 Deliverance The Means Faith Chapter 9 Deliverance The Emancipated Excursus 2 The National Covenant Chapter 10 Deliverance The Destination Gratitude Chapter 11 Gratitude The Principle Chapter 12 Gratitude The Decalogue The Ethics of Thanks Excursus 3 More Thoughts on the Sabbath Chapter 13 Gratitude The Book of the Covenant The Extent of Ethics Chapter 14 Gratitude The Tabernacle A Picture of Worship Table Diagram of the Tabernacle *The Gospel in Exodus (Classic Reprint)* Eleanor Herr Boyd, 2015-07-12 Excerpt from *The Gospel in Exodus* The lessons on the Book of Exodus are compiled that the student of the Bible may see how thoroughly the Gospel is interwoven throughout the entire Scriptures and how impossible it is for one to understand and rightly interpret the New Testament without a knowledge of the Old It is Sir Robert Anderson who most truly says But why it may be asked should we

study the Old Testament when the New Testament lies open before us The ready answer is that never in the history of Christendom was the typology of the Pentateuch more needed than to day So utter is the blindness so deep the apostacy of the present hour that on every hand popular leaders of religious thought are commending as the outcome of a new enlightenment a gospel that betrays ignorance of the first principles of the oracles of God the very A B C of the divine revelation to mankind 1 Cor 10 6 11 assures us the whole of Israel s history is for our Ensample A type pre figures foreshadows something to come It is an acted parable It must be a true picture Symbols and types differ A symbol has reference to the present A type to the future Symbols were God s method of teaching Israel but become types to us as explained in Hebrews A thing evil of itself can never become a type of good For example leaven Egypt etc In the famous Tribuna of the Uffizi Gallery at Florence a tourist armed with his guide book went up to the curator Are these your masterpieces he asked About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Exodus in the New Testament Seth M. Ehorn, 2022-03-24 In focusing exclusively on the book of Exodus and its constant allusions in the New Testament this new collection of studies seeks both to increase knowledge of the textual transmission of Exodus in the first century and to encourage further methodological reflection on the use of Scripture vs scriptural traditions as employed by ancient authors First exploring the role of Exodus within Judaism in the Second Temple Period the contributors then reflect upon the rhetorical impact of Exodus citations and allusions in the New Testament By taking the reader from the Four Gospels through the Pauline and Disputed Letters and Hebrews and all the way to Revelation itself this volume

demonstrates both the unity and the diversity of appeals to Exodus traditions in Jewish and Christian literature within the Second Temple Period **Life-Study of Exodus** Witness Lee, 1987-12-01 In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does **"Christ is All."
