Michael F. Bird

The Gospel Of The Gospels:

The Gospel and the Gospels Simon J. Gathercole, 2022-08-11 A robust scholarly defense of the distinctiveness of the canonical Gospels Do the four New Testament gospels share some essence that distinguishes them from noncanonical early Gospels The tendency among biblical scholars of late has been to declare the answer to this question no that Matthew Mark Luke and John were grouped together by happenstance and are defended as canonical today despite there being no essential commonalities between them Simon Gathercole challenges this prevailing view and argues that in fact the theological content of the New Testament Gospels distinguishes them substantially from noncanonical Gospels Gathercole shows how the Gospels of Matthew Mark Luke and John each include four key points that also formed the core of early Christian preaching and teaching Jesus s identity as messiah the saving death of Jesus the resurrection of Jesus and Scripture s foretelling of the Christ event In contrast most noncanonical Gospels like the Gospel of Thomas the Gospel of Truth and Marcion s Gospel only selectively appropriated these central concerns of early Christian proclamation

The Gospel and the Gospels Peter Stuhlmacher, 1991 In this collection of essays presented at a scholarly symposium held in 1982 in Tübingen Germany New Testament exegetes and church historians from several countries uncover lines of convergence in the study of the historical sources and traditions behind the four canonical Gospels

The Gospel in the Gospels William Porcher Dubose, 1906

The Gospel of the Lord Michael F. Bird, 2014-08-22 In this book through a distinctive evangelical and critical approach Michael Bird explores the historical development of the four canonical Gospels He shows how the memories and faith of the earliest believers formed the Gospel accounts of Jesus that got written and in turn how these accounts further shaped the early church Bird s study clarifies the often confusing debates over the origins of the canonical Gospels Bird navigates recent concerns and research as he builds an informed case for how the early Christ followers wrote and spread the story of Jesus the story by which they believed they were called to live The Gospel of the Lord is ideal for students or anyone who wants to know the story behind the four Gospels Watch an interview with Michael Bird from our Eerdmans Author Interview Series

The Four Gospels and the One Gospel of Jesus Christ Martin Hengel, 2000 For the evangelists and for Paul the gospel is both narrative and proclamation

always the Word first last and complete of God Now whatever else or more that Word expresses and all that God has revealed or shall reveal of Himself is expressed in Him it is manifested to us first as a word of life The Life was manifested and we have heard and seen and known it by every evidence in which it is possible for human experience to attest itself What do we mean by The Life We mean the life lived by God lived humanly among us by Jesus Christ lived by us to whom in union and unity with Himself He imparts it St John preaches the life that all may share it and our participation in it he declares is with the Father and with His Son Jesus Christ As to what the life is he declares it to be what God is viz light which means pure truth pure holiness pure blessedness The lack or opposite of either of these ignorance sin sorrow is darkness and death If we are walking in the light then we know that we have the life The blood of Jesus Christ cleanseth us from all sin because we are dead to sin by participation in His death and alive to holiness through experience of **Why Four Gospels?
