Harry Kane - England's Hero Frank

Worrall,2018-08-09 England manager Gareth Southgate s decision to appoint Kane still just twenty three years old as the team captain in 2017 could have been seen as premature bringing with it pressure that could damage a young player s career However he knew that Kane a modest humble and inspiring figure was up to the task Having lost faith in the national team English fans weren t sure the players would even make it out of their group No one could have predicted that this young and relatively inexperienced side would achieve their best result since 1990 or that their captain would win the tournament s Golden Boot with six goals Perhaps most importantly for the team and their manager they brought the country together to make for an unforgettable summer While their eventual semi final loss to Croatia came as a stinging disappointment this is just the start for the team and their skipper one of our most exciting players for a generation and a truly world class English
