The Great Divide Second Thoughts On The American Dream

Heather Beth Johnson

The Great Divide Second Thoughts On The American Dream:

The Great Divide Studs Terkel, 1989 **The American Dream** Lawrence R. Samuel, 2012-08-27 There is no better way to understand America than by understanding the cultural history of the American Dream Rather than just a powerful philosophy or ideology the Dream is thoroughly woven into the fabric of everyday life playing a vital role in who we are what we do and why we do it No other idea or mythology has as much influence on our individual and collective lives Tracing the history of the phrase in popular culture Samuel gives readers a field guide to the evolution of our national identity over the last eighty years Samuel tells the story chronologically revealing that there have been six major eras of the mythology since the phrase was coined in 1931 Relying mainly on period magazines and newspapers as his primary source material the author demonstrates that journalists serving on the front lines of the scene represent our most valuable resource to recover unfiltered stories of the Dream The problem however is that it does not exist the Dream is just that a product of our imagination That it is not real ultimately turns out to be the most significant finding about the American Dream and what makes the story most compelling **The American Dream and the Power of Wealth** Heather Beth Johnson, 2014-11-20

Despite the overwhelming evidence against them many people still believe they can overcome the economic and racial constraints placed upon them at birth In the first edition Heather Beth Johnson explored this belief in the American Dream with over 200 in depth interviews with black and white families highlighting the ever increasing racial wealth gap and the actual inequality in opportunities This second edition has been updated to make it fully relevant to today's reader with new data and illustrative examples including twenty new interviews Johnson asks not just what parents are thinking about inequality and the American Dream but to what extent children believe in the American Dream and how they explain justify and understand the stratification of American society This book is an ideal addition to courses on race and inequality

Keepers of the American Dream Christine E. Sleeter, 2012 This book reports an ethnographic study of thirty teachers from eighteen schools who participated in a staff development programme in multicultural education The study examines how multicultural education was actually presented to teachers and areas in which their classroom teaching and perception of students changed over the two year period Although most of the teachers reported learning a good deal changes in their teaching and their discussions of teaching were fairly limited After reporting the data the book examines why changes were limited analyzing three areas the nature of staff development and how multicultural education was packaged the structure of schools as institutions and the identities and life experiences of teachers as White women often from working class backgrounds **Constructing the Eighties** Walter Grunzweig, Roberta Maierhofer, Adolf Wimmer, 1992 The Problem with Survey Research George Beam, 2017-09-08 The Problem with Survey Research makes a case against survey research as a primary source of reliable information George Beam argues that all survey research instruments all types of asking including polls face to face interviews and focus groups produce unreliable and potentially inaccurate results Because those

who rely on survey research only see answers to questions it is impossible for them or anyone else to evaluate the results They cannot know if the answers correspond to respondents actual behaviors objective phenomena or to their true beliefs and opinions subjective phenomena Reliable information can only be acquired by observation experimentation multiple sources of data formal model building and testing document analysis and comparison In fifteen chapters divided into six parts Ubiquity of Survey Research The Problem Asking Instruments Asking Settings Askers and Proper Methods and Research Designs The Problem with Survey Research demonstrates how asking instruments settings in which asking and answering take place and survey researchers themselves skew results and thereby make answers unreliable The last two chapters and appendices examine observation other methods of data collection and research designs that may produce accurate or correct information and shows how reliance on survey research can be overcome and must be What Is a Western? Josh Garrett-Davis, 2019-09-26 There's western and then there's Western and where history becomes myth is an evocative question one of several questions posed by Josh Garrett Davis in What Is a Western Region Genre Imagination Part cultural criticism part history and wholly entertaining this series of essays on specific films books music and other cultural texts brings a fresh perspective to long studied topics Under Garrett Davis's careful observation cultural objects such as films and literature art and artifacts and icons and oddities occupy the terrain of where the West as region meets the Western genre One crucial through line in the collection is the relationship of regional western works to genre Western works and the ways those two categories cannot be cleanly distinguished most work about the West is tinted by the Western genre and Westerns depend on the region for their status and power Garrett Davis also seeks to answer the question What is a Western now To do so he brings the Western into dialogue with other frameworks of the imagined West such as Indigenous perspectives the borderlands and environmental thinking The book's mosaic of subject matter includes new perspectives on the classic musical film Oklahoma a consideration of Native activism at Standing Rock and surprises like Pee-wee's Big Adventure and Dr. Seuss's The Lorax The book is influenced by the borderlands theory of Gloria Anzaldúa and the work of the indie rock band Calexico as well as the author's own discipline of western cultural history Richly illustrated primarily from the collection of the Autry Museum of the American West Josh Garrett Davis's work is as visually interesting as it is enlightening asking readers to consider the American West in new ways

Division Street Studs Terkel, 2024-11-05 A landmark reissue of Studs Terkel's classic microcosm of America with a new foreword by the Pulitzer Prize winning journalist and co creator of the Division Street Revisited podcast Remarkable Division Street astonishes dismays exhilarates The New York Times When New Press founder Andr Schiffrin first published Division Street in 1967 Studs Terkel's reputation as America's foremost oral historian was established overnight Approaching Chicagoans as emblematic of the nation at large Terkel set out with his tape recorder and spent a year talking to over seventy people about race family education work prospects for the future all topics that remain deeply contentious today Subjects included a Black woman who attended the 1963 March on Washington a tool

and die maker a baker from Budapest a closeted gay actor and a successful but cynical ad man As Tom Wolfe wrote Studs was one of those rare thinkers who is actually willing to go out and talk to the incredible people of this country Most interviewees shared the hope for a good life for their children and the wish for a less divided and more just America but the real Chicago street referenced in the title takes on a metaphorical meaning as a symbol of the acute social divides of the 1960s and highlights the continued relevance of Terkel s work in our polarized times Now over fifty years later Melissa Harris and Pulitzer Prize winning journalist Mary Schmich have created the remarkable Division Street Revisited podcast coming in January 2025 in which they have found and interviewed descendants of Terkel s original subjects in seven rich episodes Schmich s foreword to the reissue and the extraordinary podcast along with the new edition of Division Street together demonstrate Studs Terkel s prescience and the enduring importance of his work **The Studs Terkel Reader** Studs Terkel, 2011-07-26 With a foreword by Robert Coles and a preface by Calvin Trillin The Studs Terkel Reader My American Century collects the best interviews from eight of Terkel s classic oral histories together with his wonderful original introductions to each book Featuring selections from American Dreams Coming of Age Division Street The Good War The Great Divide Hard Times Race and Working this greatest hits volume is a treasury of Terkel s most memorable subjects that will delight his many lifelong fans and provide a perfect introduction for those who have not yet experienced the joy of reading Studs Terkel An informal epic of Terkel s near century with a cinematic vividness that tells you more than a shelf of standard history books Entertainment Weekly Culture Wars Roger Chapman, 2010 Although openness and inclusion are cornerstones of life in the United States intolerance and reactionary politics are also very real As the nation prepares to elect a new president The Culture Wars addresses the key defining issues of contemporar

This is likewise one of the factors by obtaining the soft documents of this **The Great Divide Second Thoughts On The American Dream** by online. The Great Divide Second Thoughts On The American Dream Introduction

In today's digital age, the availability of The Great Divide Second Thoughts On The American Dream books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Great Divide Second Thoughts On The American Dream books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Great Divide Second Thoughts On The American Dream books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Great Divide Second Thoughts On The American Dream versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Great Divide Second Thoughts On The American Dream books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Great Divide Second Thoughts On The American Dream books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain,

meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Great Divide Second Thoughts On The American Dream books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Great Divide Second Thoughts On The American Dream books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Great Divide Second Thoughts On The American Dream books and manuals for download and embark on your journey of knowledge?
