The Great Indoors

Not For Tourists

The Great Indoors:

The Great Indoors Emily Anthes, 2020-06-23 An Architectural Record Notable Book A fascinating thought provoking journey into our built environment Modern humans are an indoor species We spend 90 percent of our time inside shuttling between homes and offices schools and stores restaurants and gyms And yet in many ways the indoor world remains unexplored territory For all the time we spend inside buildings we rarely stop to consider How do these spaces affect our mental and physical well being Our thoughts feelings and behaviors Our productivity performance and relationships In this wide ranging character driven book science journalist Emily Anthes takes us on an adventure into the buildings in which we spend our days exploring the profound and sometimes unexpected ways that they shape our lives Drawing on cutting edge research she probes the pain killing power of a well placed window and examines how the right office layout can expand our social networks She investigates how room temperature regulates our cognitive performance how the microbes hiding in our homes influence our immune systems and how cafeteria design affects what and how much we eat Along the way Anthes takes readers into an operating room designed to minimize medical errors a school designed to boost students physical fitness and a prison designed to support inmates psychological needs And she previews the homes of the future from the high tech houses that could monitor our health to the 3D printed structures that might allow us to live on the Moon *The Great Indoors* provides a fresh perspective on our most familiar surroundings and a new understanding of the power of architecture and design It s an argument for thoughtful interventions into the built environment and a story about how to build a better world one room at a time

Surviving the Great Indoors Jerry Scott, Rick Kirkman, 2019-10-15 Baby Blues transcends the comic page by fusing the award winning imaginations of Rick Kirkman and Jerry Scott with familiar family life Kirkman and Scott intuitively balance the humorous with the poignant through relatable and sometimes all too familiar parenting scenes This latest collection includes a year s worth of strips many with commentary by Jerry and Rick *The Great Indoors* Sabine Durrant, 2005 Martha Bone finds her perfectly ordered life falling into chaos when she allows a cat a boyfriend and his children into her home a situation that is complicated when she comes across a cache of old love letters [Not For Tourists](#)
