The Great Roman Jewish War A D 66 7:

The Jewish War Josephus, 2017-02-10 I am Josephus I myself fought against the Romans In August of AD 70 the city of Jerusalem was destroyed by Roman forces after a six month siege This was the disastrous outcome of a Jewish revolt against Roman domination which began in AD 66 with some early success but soon became mired in factional conflict The war ended in the destruction of the famous Jewish Temple rebuilt by Herod the Great a century before The remarkable story of the war is narrated by an eye witness and participant Josephus He was at first a rebel commander then after his capture supported Titus in the final assault on Jerusalem Josephus spares no detail of a horrific conflict atrocities on both sides the reign of terror in Jerusalem the appalling conditions of the siege and the final mass suicide at Masada His vivid narrative is our prime source for this period of history It is a dramatic story with resonances to the present day

The Mysterious Numerical Bible Code and Other Revelations Lawrence D. Shawbrooks, 2016-06-01 The Hebrew Christian religion remains the most potent verifiably truthful religion on the planet It suffers horrendously from murderous oppression in the Middle East its homeland and was crushed flat by the largest political State the world has ever known Soviet Russia and it endures heavy disheartenment by flawed innuendo and secularisation throughout Europe Despite these massive attacks from mistaken religion hard line atheists and dont know cant be bothered groups yet it remains And more than this It remains philosophically socially prophetically and scientifically the largest most credible and consistent belief system on the planet Its not by accident that non violent Christianity believing in the non violent Ten Commandments and the beautiful spirit of them in the Beatitudes can survive such intense mentalphysical violent persecution and still remain so vibrant True Christians know The only reason it is so is because the holy Messiah God of Israel is the only true God He rules over all the kingdoms of men but its only the kingdom of Christianity which knows this He loves all humans but not their thoughtsactions However only Christians recognise this and sincerely give thanks that He is their God their prophet priest and king He prophesied that enormous ungodliness would come against His church and followers but these gates of hell would not overcome it and so it is now as we head towards Armageddon and the end of the human age This book explains His prophecies and associated key milestone calculations This is one of many ways witnessing that He is the genuine unique article just as the Hebrew Christian Bible says The purpose of our existence is to have a loving relationship with Him When humans choose to reject Him it causes us to create corrupt and false gods Without realising it many religious people worship corrupt gods and atheism worships its false no God god These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living death This grieves the Messiah God of Israel because He loves fruitful life To encourage us and to verify who He is He leaves indicators throughout history evidencing even now in these days of the deeply sceptical cheating spirit that humans are without excuse come the judgement Lawrence D Shawbrooks is now retired but continues to work as an Elder in the Church oversight

reference work and essential reading for all who are concerned with Middle East and world peace The Time of the End in the Book of Daniel Thomas C. Nixon, 2002-07-05 Dreamers and voyagers the boy and girl in this little story are on a journey from where they are to where they can be In this ageless quest they are beckoned by the glimmer of their dreams as they behold the light that surrounds and suffuses all that is They are tempted to lose heart though because of the darkness that can steal quietly into their lives but which can never completely overpower the enduring and triumphant light **Publius Quinctilius Varus** Joanne Ball, 2023-10-12 This unique full length English biography of Varus reassesses how he has been held responsible for one of the most infamous and humiliating defeats in Roman history Publius Quinctilius Varus is famous as the incompetent commander duped into an ambush that wiped out three legions in one of the most humiliating defeats in Roman history Yet this is the first full length biography of the man Dr Joanne Ball revisits the ancient sources alongside the most recent archaeological evidence from the Teutoburg battlefield in Germany where she has been personally involved in excavations The result is a fresh detailed new analysis of this significant battle and a reappraisal of the Roman commander Examination of his earlier career reveals that Varus who had married into the Imperial family was an experienced and competent if harsh and ruthless governor and general He had served in Africa and put down rebellions in Syria and Judaea before being posted to Germany Dr Ball sets his German command in the context of wider events explaining the weakness of the Roman position there and the necessary reliance on auxiliary forces Although Varus was clearly fooled by Arminius the former Roman auxiliary who masterminded the Teutoburg battle in AD 9 she questions the extent of Varus culpability and asks whether he was scapegoated by Roman historians to deflect blame away from the Emperor Artifacts of Mourning George M. Leader, 2024-03-31 A fascinating lavishly illustrated account aimed at a non specialist audience of the excavation of over 500 burials unexpectedly discovered during development work associated with the First Baptist Church in Philadelphia In 2016 construction workers in Philadelphia unexpectedly uncovered a long forgotten burial ground Archaeologists quickly discovered this was the location of the burial ground of the First Baptist Church of Philadelphia used as early as 1722 It was thought to have been exhumed and moved in 1859 Months of excavations revealed almost 500 individual burials still remained This book shares the complex story of the discovery and excavations It provides backgrounds of the church Philadelphia and the religious climate of the time to give context to the thousands of artifacts that were discovered and are presented in their entirety The numerous coffin handles and plaques link directly back to English production and are embedded with powerful mortuary symbols Highlighting cultural exchange between colonial America and England Artifacts of Mourning provides an important record of 18th and 19th century funerary culture
