The Great War:

The Story of the Great War (Vol. 1-8) Various Authors, 2023-11-15 The multi volume anthology *The Story of the Great War* offers an extensive examination of World War I capturing the complex tapestry of human experience during one of history's most devastating conflicts. Through a diverse range of narratives, essays, and personal accounts, this collection weaves together the political, social, and military dimensions of the war, all presented in a rich literary style that balances meticulous research with heartfelt storytelling. The varied perspectives, including frontline soldiers, nurses, and civilians, serve to provide a comprehensive view of the war's multifaceted impacts on lives and nations, situating the narrative within the broader historical context of early 20th-century global upheaval. Composed by various esteemed authors, including historians, journalists, and soldiers, this anthology reflects the diverse influences that shaped early 20th-century literature and historical writing. Each contributor brings unique insights, shaped by their personal experiences or scholarly pursuits, resulting in a collaborative work that not only seeks to inform but also to evoke empathy and understanding for those who lived through the war. The book illustrates a collective effort to process the trauma and consequences of a world irrevocably altered by conflict. I highly recommend *The Story of the Great War* to both history enthusiasts and general readers interested in understanding the complexities of World War I. Its accessible yet profound narrative style invites readers to engage with the past, offering a thorough exploration that will resonate with anyone seeking to grasp the depth of human resilience and tragedy in the face of unparalleled adversity.

The Great War, 1914-1918 Marc Ferro, 2002 In this his most famous work, Marc Ferro looks at the realities faced by the millions who fought in the Great War and their families at home. In doing so, he presents us with one of the most significant reappraisals of the war ever written. Marc Ferro's most famous work, *The Great War*, looks at the realities faced by those men and their families at home. Mapping tensions old and new, he offers an overview to the Great War that is unrivalled in vision or in scope. From detailing the meteoric rise of the bureaucratic classes prior to 1914 to charting the horrors of trench warfare, Ferro travels well beyond the remit of the historian. In particular, he documents the reactions of the warring countries' socialist and labour organisations to the conflict. By doing so, Ferro has presented us with one of the most significant reappraisals of the Great War ever to be written, one that rightfully takes its place as a Routledge Classic.

The Great War Robert Cowley, 2003 The great war or the First World War, as most Americans call it, was the true turning point of the century just past. It brought down dynasties and empires, including the Ottoman one of the roots of our present difficulties. It changed the United States from a bumptious provincial nation into a world power. It made World War II inevitable and the Cold War as well. Above all, the Great War was history's first total war, an armed conflict on a world stage between industrialized powers. Robert Cowley has brought together the thirty articles in this book to examine that unnecessary but perhaps inevitable war in its diverse aspects. A number of the subjects covered here are not just unfamiliar but totally fresh. Who originated the term no man's land and the word tank? What forgotten battles nearly

destroyed the French Army in 1915 How did the discovery of a German naval codebook bring the United States into the war What was the weapon that for the first time put a man made object into the stratosphere The Great War takes a hard look at the legend of the Massacre of the Innocents at Ypres in 1914 an event that became a cornerstone of Nazi mythology It describes the Gallipoli campaign as it has never been described before from the Turkish side Brought to life as well are the horrors of naval warfare as both British and German sailors experienced them at the Battle of Jutland the near breakdown of the American commander John H Pershing and the rarely told story of the British disaster on the Tigris River in what is now Iraq Michael Howard chronicles the summer of 1914 and the descent into a war that leaders were actually more afraid to avoid than to join John Keegan writes about the muddy tragedy of Passchendaele in 1917 Jan Morris details the rise and fall of Sir John Fisher whom she characterizes as the greatest British admiral since Nelson Robert Cowley tells the haunting story of the artist K the Kollwitz determined to create a memorial to her dead son In every way this is a book that does justice to the drama and complexity of the twentieth century s seminal event *The Great War in History* Jay Winter, Antoine Prost, 2020-12-03 This revised and updated edition of *The Great War in History* provides the first survey of historical interpretations of the Great War from 1914 to 2020 It demonstrates how the history of the Great War has now gone global and how the internet revolution has affected the way we understand the conflict Jay Winter and Antoine Prost assess not only diplomatic and military studies but also the social and cultural interpretations of the war across academic and popular history family history and public history including at museums on the stage on screen in art and at sites of memory They provide a fascinating case study of the practice of history and the first survey of the ways in which the Centenary deepened and deflected both public and professional interpretations of the war This will be essential reading for scholars and students in history war studies European history and international relations **Europe's Last Summer** David Fromkin, 2007-12-18 When war broke out in Europe in 1914 it surprised a European population enjoying the most beautiful summer in memory For nearly a century since historians have debated the causes of the war Some have cited the assassination of Archduke Franz Ferdinand others have concluded it was unavoidable In *Europe's Last Summer* David Fromkin provides a different answer hostilities were commenced deliberately In a riveting re creation of the run up to war Fromkin shows how German generals seeing war as inevitable manipulated events to precipitate a conflict waged on their own terms Moving deftly between diplomats generals and rulers across Europe he makes the complex diplomatic negotiations accessible and immediate Examining the actions of individuals amid larger historical forces this is a gripping historical narrative and a dramatic reassessment of a key moment in the twentieth century *The Great War* Peter Hart, 2013 The Great War was the first truly global conflict and it changed the course of world history Empires fell others were crippled and new contenders emerged Economies crashed and millions would be affected by the Depression that followed Understanding The Great War is crucial to understanding the history of the twentieth century and the present day In this magnum opus critically acclaimed

historian Peter Hart examines the conflict in every arena around the world in a history that combines cutting edge scholarship with vivid and unfamiliar eyewitness accounts from kings and generals and ordinary soldiers He focuses in particular on explaining how technology and tactics developed during the conflict and determined which battles were crucial to its outcome Combatants from every corner of Earth joined the fray but their voices are rarely heard together This is a major history of the conflict whose 100th anniversary is fast approaching **The Great War** D. E. Marshall,1988 The Myth of the Great War John Mosier,2011-03-29 Based on previously unused French and German sources this challenging and controversial new analysis of the war on the Western front from 1914 to 1918 reveals how and why the Germans won the major battles with one half to one third fewer casualties than the Allies and how American troops in 1918 saved the Allies from defeat and a negotiated peace with the Germans **The Great War in Verse and Prose** Gilbert Murray,Arthur Conan Doyle,Edmund Gosse,Theodore Roosevelt,Rudyard Kipling,Bliss Carman,Woodrow Wilson,Henri Louis Bergson,Henry John Cody,2023-10-24 The anthology The Great War in Verse and Prose offers a profound exploration of World War I through an unparalleled amalgamation of literary forms showcasing the range from heart wrenching poetry to incisive prose This collection underlines the diverse experiences and interpretations of a conflict that reshaped the world presenting a tapestry of emotions and thoughts from different cultural and national perspectives The significance of standout pieces lies not in their individual authors but in their collective ability to capture the zeitgeist of an era marked by unprecedented turmoil and transformation The contributing authors and editors including notable figures such as Gilbert Murray Arthur Conan Doyle and Henri Louis Bergson bring to the table a rich background of literary historical and political involvement Their collective contributions highlight various facets of the war from heroism to tragedy and align with significant literary and cultural movements of the time This assemblage of viewpoints offers a unique lens through which to examine the socio political landscape of the early 20th century enriched by the personal insights and scholarly expertise of its contributors Reading The Great War in Verse and Prose is an invitation to traverse the emotional and intellectual breadth of World War I through a mosaic of literary expression For scholars students and general readers alike this anthology presents a unique opportunity to engage with the wars multifaceted impact exploring themes of heroism loss and the quest for meaning in a changed world The collection not only educates but also fosters a deeper understanding and dialogue between the diverse voices and narratives that define this pivotal moment in history Harlem's Rattlers and the Great War Jeffrey T. Sammons,John H. Morrow, Jr.,2015-09-26 When on May 15 1918 a French lieutenant warned Henry Johnson of the 369th to move back because of a possible enemy raid Johnson reportedly replied I m an American and I never retreat The story even if apocryphal captures the mythic status of the Harlem Rattlers the African American combat unit that grew out of the 15th New York National Guard who were said to have never lost a man to capture or a foot of ground that had been taken It also in its insistence on American identity points to a truth at the heart of this book more than fighting to make the world safe for

democracy the black men of the 369th fought to convince America to live up to its democratic promise It is this aspect of the storied regiment's history its place within the larger movement of African Americans for full citizenship in the face of virulent racism that *Harlem's Rattlers and the Great War* brings to the fore With sweeping vision historical precision and unparalleled research this book will stand as the definitive study of the 369th Though discussed in numerous histories and featured in popular culture most famously the film *Stormy Weather* and the novel *Jazz* the 369th has become more a matter of mythology than grounded factually accurate history a situation that authors Jeffrey T Sammons and John H Morrow Jr set out to right Their book which eschews the regiment's famous nickname the Harlem Hellfighters a name never embraced by the unit itself tells the full story of the self-proclaimed Harlem Rattlers Combining the fighting focus of military history with the insights of social commentary *Harlem's Rattlers and the Great War* reveals the centrality of military service and war to the quest for equality as it details the origins evolution combat exploits and postwar struggles of the 369th The authors take up the internal dynamics of the regiment as well as external pressures paying particular attention to the environment created by the presence of both black and white officers in the unit They also explore the role of women in particular the Women's Auxiliary of the 369th as partners in the struggle for full citizenship From its beginnings in the 15th New York National Guard through its training in the explosive atmosphere in the South its singular performance in the French army during World War I and the pathos of postwar adjustment this book reveals as never before the details of the Harlem Rattlers experience the poignant history of some of its heroes its place in the story of both World War I and the African American campaign for equality and its full i

Right here, we have countless ebook **The Great War** and collections to check out. We additionally have enough money variant types and as a consequence type of the books to browse.
