The Greats Series 1:

Baseball's Greatest Series Chris Donnelly, 2010-01-15 Baseball's Greatest Series details what many believe to be the most exciting postseason series in baseball history the 1995 Division Series between the New York Yankees and the Seattle Mariners This division series was not simply about two teams playing five postseason games It was about Ken Griffey Jr Lou Piniella Buck Showalter Gene Michael Jim Leyritz Randy Johnson Wade Boggs Tony Fernandez Pat Kelly Dion James Darryl Strawberry and many others who changed the course of baseball history A team playing to keep baseball alive in the Pacific Northwest A manager who was literally managing for his job A New York sports icon who for one week reminded everybody of the dominating player he had been a decade earlier Chris Donnelly's replay of this entire season reminds readers that it was a time when grown men cried their eyes out after defeat and others just a few hundred feet away poured beer and champagne over one another while 57 000 people in Seattle's Kingdome celebrated Five games they were Five games that reminded people after the devastating players strike in 1994 how great a game baseball is because comebacks are always possible no matter how great the obstacles may seem From Don Mattingly's only postseason home run which caused a near riot to Edgar Martinez's legendary eleventh inning series clinching double Donnelly chronicles the earlier struggles of both teams during the 1980s their mid 1990s resurgence all five heart stopping games of the series and the dramatic and long lasting effects of Seattle's victory Simply stated Baseball's Greatest Series hits a home run **The Great Missouri Raid**

(Abbot of Eberbach), 2012 In the closing decades of the twelfth century the Cistercian Order found itself in a world rather different from the one in which it had been founded and began to thrive The Order was justifiably proud of its achievements and unparalleled diffusion across Europe It had become an important ecclesiastical and economic power in Europe and developed an institutional structure meant to sustain a large widespread organization Yet it had lost its influential spokesman Bernard of Clairvaux and as the century drew to a close religious sensibilities were changing The new mendicant orders the Franciscans and the Dominicans and the impulses they embodied were to shift the center of gravity in Christian religious life for centuries to come *Book Catalog of the Library and Information Services Division: Shelf list catalog* Environmental Science Information Center.
