Holy Bible illustrated by Gustave Doré The World English Bible, 2015-02-22 This edition is embellished with 225 splendid plates by Dor that can all be enlarged with a double tap The Old and New Testament in an updated translation with a complete set of indexes for very efficient consultation **"By the Good Hand of Our God Upon Us ..."** G. Van Rongen, Gerardus Rongen, 1987 *Rotherham's Emphasized Bible* , Double column pages foreword by John R Kohlenberger III A literal translation of the original text with symbols that allow the non reader of Greek and Hebrew to discover the force and intent of the original *The interlinear Bible, the authorised version and the revised version* ,1906 The Webster Bible ,2016-10-05 The language of the Bible has no inconsiderable influence in forming and preserving our national language On this account the language of the common version ought to be correct in grammatical construction and in the use of appropriate words This is the more important as men who are accustomed to read the Bible with veneration are apt to contract a predilection for its phraseology and thus to become attached to phrases which are quaint or obsolete This may be a real misfortune for the use of words and phrases when they have ceased to be part of the living language and appear odd or singular impairs the purity of the language and is apt to create a disrelish for it in those who have not by long practice contracted a like predilection It may require some effort to subdue this predilection but it may be done and for the sake of the rising generation it is desirable The language of the scriptures ought to be pure chaste simple and perspicuous free from any words or phrases which may excite observation by their singularity and neither debased by vulgarisms nor tricked out with the ornaments of affected elegance Noah Webster 1833 *The English Bible ... Newly Divided Into Paragraphs; with Concise Introductions to the Several Books; and with Maps and Notes, Etc. [Edited by R. B. Blackader.]* ,1853
