The Good Years From 1900 To The First World War:

The Good Years Walter Lord,2011 Originally published New York Harper 1960 With new introd *The Good Years* Harold D. Lasswell,2017 The period between 1900 and the First World War could be called the Confident Years the Buoyant Years the Spirited Years or named after some bright hopeful color like the Golden Years It could be done but such tags are the invention of pundits social historians and professional name coiners To the many varied people who lived through the era the men and women who wistfully recall marching for suffrage rebuilding San Francisco or cheering wildly for Woodrow Wilson the age was remembered as the Good Years It was a time of triumph the Wright brothers and of tragedy the Titanic Days of wealth a 200 000 ball and of poverty a child in a cotton mill earning 3 54 a week But through it all ran an exciting thread of boundless confidence and hope No one ever accused the people of that period of national indifference It is this spirit of uncontested optimism along with the pageant of great events that makes this book such rewarding reading In gathering his material Walter Lord pored over letters diaries unpublished reminiscences even Pinkerton reports filled with fascinating and until now unknown detail He traveled thousands of miles and interviewed the people who lived through the period He met with individuals who firmly believed they had been given the greatest experience anyone could ever have they knew and enjoyed the years when there was no limit to what we could and would do Lord s attention to first hand sources makes this book vivid and timeless And Leslie Lenkowsky s new introduction adds contemporary dimension to this classic work Provided by publisher *The Good Years* Walter Lord,1906 The Great Pictorial History of World Crime Jay Robert Nash,2004-04-29 The vast and mysterious world of criminals from ancient times through the 21st century is vividly captured in *The Great Pictorial History of World Crime* This unique and staggering reference work chronicles every major criminal act from every era A definitive reference source to worldwide crime this unparalleled survey is organized into sixteen chapters AssassinationBigamyBurglaryCannibalismCelebrity SlayingsDrugsFraudGangs Gangsters and Organized CrimeKidnappingMass MurderPiracyRobberySecret Criminal SocietiesSerial KillersTerrorismUnsolved Homicides Each chapter begins with an essay that introduces the topic and provides a concise overview of the historical social and political significance of the crime Subjects are further developed crime by crime through descriptive entries covering the criminal acts modus operandi criminal background information and motives along with insightful anecdotes In addition to being a being a vital and informative historical and sociological reference work *The Great Pictorial History of World Crime* features more than 2 500 illustrations More than a chronicle of chilling events these two volumes provide gripping reading for anyone interested in true crime law enforcement criminology and criminal justice **Panic on Wall Street** Robert Sobel,1999

STARTS FROM SCRATCH For months before a word of this book was written he could be found roaming the country ferreting out the fascinating people who helped shape these years One week it might be Elijah Baum who piloted Wilbur Wright to his first lodgings at Kitty Hawk the next an old fireman who fought the flames at San Francisco the next some militant suffragette Even in his raids on old diaries letters memoirs and newspapers Mr Lord usually headed straight for the scene He was as likely to be found in an attic with a flashlight as at a desk with a pencil That's why the book is full of such fresh discoveries secret Pinkerton reports on a famous murder unpublished notes left by McKinley's physician the caterer's instructions for Mrs Astor's ball and many other factors unknown to the participants themselves It's his loving attention to first hand sources that makes Mr Lord's books so vivid for the thousands who read them Editorial Reviews Informative and entertaining although *The Good Years* is naturally and properly selective it still achieves something of a panoramic effect The New York Times Lord uses a kind of literary pointillism the arrangement of contrasting bits of fact and emotion in such a fashion that a vividly real impression of an event is conveyed to the reader New York Herald Tribune Lord had the extraordinary ability to bring the past to life Jenny Lawrence author of *The Way It Was* Walter Lord on His Life and Books
