The Goon Show Goons And More Guests The Goon Show:

Come on Down? Dominic Strinati, Stephen Wagg, 2004-02-24 *Come on Down* represents an introduction to popular media culture in Britain since 1945. It discusses the ways in which popular culture can be studied, understood and appreciated and covers its key analytical issues and some of its most important forms and processes. The contributors analyse some of popular culture's leading and most representative expressions such as TV soaps, quizzes and game shows, TV for children, media treatment of the monarchy, Pop Music, Comedy, Advertising, Consumerism and Americanization. The diversity of both subject matter and argument is the most distinctive feature of the collection, making it a much needed and extremely accessible interdisciplinary introduction to the study of popular media culture. The contributors, many of them leading figures in their respective areas of study, represent a number of different approaches which themselves reflect the diversity and promise of contemporary theoretical debates. Their studies encompass issues such as the economics of popular culture, its textual complexity and its interpretations by audiences, as well as concepts such as ideology, material culture and postmodernism.

The Life and Death of Peter Sellers Roger Lewis, 2025-07-17 A fascinating, tragic and instructive story vividly told. *Sunday Telegraph* Roger Lewis, in his no-holds-barred biography, exposes a Peter Sellers the world little knows. Recognized as the greatest British comic since Charlie Chaplin, Sellers was the grand master of fifty-five films, from *Dr Strangelove* to *Being There* and the *Pink Panther* hits. But shadowing his phenomenal career was a history of increasingly bizarre behaviour involving psychotic violence, compulsive promiscuity, drug abuse and humiliating self-destructive obsessions with people including Princess Margaret, Sophia Loren, Liza Minnelli and each of his four wives: Ann Hayes, Britt Ekland, Miranda Quarry and Lynne Frederick. He alternately showered his wives and children with gifts and then threatened to kill them. Sellers' fluidity as an actor made for a terrifying madness that grew like a slow metastasizing cancer throughout his adult life. *The Life and Death of Peter Sellers* concludes with his premature death at the age of 54, sick at heart and alone in those sunless hotel rooms, so recoiled from intimacy that no one really knew him anymore. PRAISE FOR THE LIFE AND DEATH OF PETER SELLERS: It is a mad book, but then the subject is a madman. I love Lewis's passion. I recommend it. *Sunday Times*. Reinventing the genre as well as reassessing its subject with formidable intelligence, this book is a remarkable achievement. *Literary Review*.

It's All In The Mind Julie Warren, 2020-04-16 British popular culture would probably be very different had Larry Stephens not been born. We could now be living in a world without the *Carry On* films or Monty Python, and we may never have heard of Tony Hancock, Peter Sellers or Spike Milligan. Stephens' promising career as a jazz pianist was interrupted by the war, and after serving as an officer with the commandos, he moved to London and struck up a friendship with Tony Hancock, becoming the sole writer of his stage material. Hancock introduced him to Peter Sellers, Harry Secombe, Spike Milligan and Michael Bentine, and together they created *The Goon Show*, arguably the world's most influential comedy programme. As one of the main writers throughout its nine-year run, Stephens' experiences and acquaintances became

themes and characters within the show For the first time the life and work of this unsung hero of British comedy has been thoroughly explored Using unrivalled access to Larry Stephens personal archive of letters photographs and artwork plus interviews with Stephens many notable friends family members comrades and colleagues It s All In The Mind tells the story of a boy from the Black Country whose short life had an enduring impact **George Orwell on Screen** David

Ryan,2018-09-06 British author and essayist George Orwell shot to fame with two iconic novels the anti Stalinist satire Animal Farm and the dystopian masterpiece Nineteen Eighty Four A few years after his death in 1950 the CIA bankrolled screen adaptations of both novels as Cold War propaganda Orwell s depiction of a totalitarian police state captivated the media in the 1980s Today mounting anxieties about digital surveillance and globalization have made him a hot property in Hollywood Drawing on interviews with actors writers directors and producers this book presents the first comprehensive study of Orwell on film and television Beginning with CBS s 1953 live production of Nineteen Eighty Four that mirrored the McCarthy witch hunts the author covers 20 wide ranging adaptations documentaries and biopics including two lost BBC dramatizations from 1965 **Spike Milligan** Pauline Scudamore,2003-02-08 The biography of Spike Milligan one of the

most gifted creative individuals of our time and remembered as a true comic genius However many people are unaware that he battled throughout his adult life against anxiety and depression neither of which he was able to conquer *The History of Broadcasting in the United Kingdom: Volume IV: Sound and Vision* Asa Briggs,1995 Part of a five volume history of the rise and development of broadcasting in the United Kingdom *Straight From The Force's Mouth* David Prowse,2011-09-28

Everyone has heard of Darth Vader the infamous Star Wars villain we all love to fear created by George Lucas and brought to life by Dave Prowse MBE but people may not be so familiar with the story of the multi talented man behind the mask It required someone exceptional to turn a helmeted costume into the principal character in the highest grossing film series in cinema history that someone was Dave Prowse The towering physical presence of the 6ft 7 bodybuilder was ideally suited to personify the intimidating Darth Vader Straight from the Force s Mouth takes us behind the scenes of Star Wars and documents how this extraordinary man took on the role of the menacing central character to creating one of the most iconic villains in cinema history In this book of memoirs Dave shares his journey from disadvantaged child and poor student to champion weightlifter and international film star The Dave Prowse story is one of determination and hard work and in this honest account he explains how he overcame the many setbacks in his life to achieve success and global recognition This book is a must have for Star Wars fans of all ages and will appeal to anyone who enjoys a truly inspirational and motivating real life story **Encyclopedia of British Humorists** Steven H. Gale,1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company The Pythons Monty Python,Graham Chapman,John Cleese,Terry Gilliam,Michael

Palin,Eric Idle,Terry Jones,2005-11-15 Personal anecdotes humorous reminiscences and more than 1 000 photographs and illustrations celebrate the comedy troupe s thirty fourth anniversary The Beatles: Off The Record 2 - The Dream is Over

Keith Badman, 2009-12-15 This book compiles more outrageous opinions and unrehearsed interviews from the former Beatles and the people who surrounded them Keith Badman unearths a treasury of Beatles sound bites and points of view taken from the post break up years Includes insights from Yoko Ono Linda McCartney Barbara Bach and many more
