The Gospel Jesus Fact Or Fiction:

The Gospel Jesus Peter Bartley,1996 **The Truth about Jesus : Is He a Myth?** M. M. Mangasarian,2022-05-28 In *The Truth about Jesus Is He a Myth* M M Mangasarian scrutinizes the historical existence of Jesus Christ with a blend of scholarly acumen and provocative inquiry Presented originally to the Independent Religious Society in Orchestra Hall this work is as daring as it is meticulous engaging readers with a thorough examination of Christian documents and traditions juxtaposed against secular historical records Mangasarian s literary style is marked by cogent arguments and methodical deconstruction of biblical narratives evaluating claims such as the virgin birth the crucifixion and the parallels with Paganism The book is shrouded within the broader realm of religious philosophy and the historical analysis of early Christianity and it challenges the reader to consider the fusion of history myth and religion in the making of a central figure like Jesus Moses M Mangasarian a once Presbyterian minister who turned Rationalist employs his profound knowledge of theological doctrines and historical texts to pose challenging questions about religion s role and interpretations within society His own journey from orthodoxy to skepticism imbues the text with a unique perspective melding a deep understanding of Christian tenets with a robust challenge to their historical veracity This book is a testament to his life s work in seeking to elucidate the intersection of faith and fact and to offer an alternative discourse to traditional religious narratives Ideal for both students of theology and those interested in religious critique *The Truth about Jesus Is He a Myth* comes highly recommended It is an indispensable resource for anyone intrigued by the historical debate surrounding the figure of Jesus and the origins of Christianity Mangasarian s dissection of widespread assertions within Christendom is sure to evoke reflection discussion and renewed understanding whether one aligns with religious belief or maintains a secular or skeptical viewpoint This volume promises to be a thought provoking addition to any intellectual library and a catalyst for critical discourse on one of the most influential narratives of Western civilization *The Gospel Truth* Patrick T. Rhoads,2020-07-31 The skepticism holding sway in our public society practically screams that one cannot be serious and also be Christian This work exposes the lie to such skepticism This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels The arguments rely solely upon reason and objective criteria to substantiate their conclusions This fast paced work by a nuclear engineering executive with more than thirty five years of experience will defy expectations Rigorous and systematic this apologetic work is curated with verve energy and wit It will pique the interests of academics and lay audience alike by answering these questions Why is the resurrection a necessary but not sufficient condition for the rise of Christianity Who founded Christianity Hint it was not Saint Paul as many suppose Why did the church retain all of the Hebrew Bible even though only a small fraction pertains directly to the New Testament How does the church rectify the necessity of justice with the virtue of mercy Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations of the Christ in the Hebrew Bible At the end of the book readers will ask the same question about Jesus that Jesus asked of

the apostles Who do you say that I am *The Oral Gospel Tradition* James D.G. Dunn,2013-10-03 The traditions about Jesus and his teaching circulated in oral form for many years continuing to do so for decades following the writing of the New Testament Gospels James Dunn is one of the major voices urging that more consideration needs to be given to the oral use and transmission of the Jesus tradition as a major factor in giving the Synoptic tradition its enduring character Literary Study of the Bible Christopher Hodgkins,2019-03-04 The most comprehensive and accessible introduction to scriptural art yet written Literary Study of the Bible An Introduction approaches each book of the Bible including several of the apocrypha with non sectarian literary questions exploring the meanings that the Bible reveals when we read it like a poem narrative or play As a unique hybrid of introductory guide essential handbook historical survey and absorbing commentary this book fills a gap in literary Bible study with its fresh perspectives on the biblical writers many arts Readers will engage in wide range of textual approaches and interpretive traditions through this broadly informed accessibly written text Dr Christopher Hodgkins has taught Literary Study of the Bible for 25 years over which time he has field tested the many lenses of genre image language characterization plot and craft used throughout this book Tracing the sources composition and influences of the Biblical text this book places the Bible in a tradition of ancient near eastern Hebrew and Hellenistic literary art giving new depth to the way we understand the familiar stories of scripture Unlike other literary introductions to the Bible this book uniquely combines these elements Approaches the Bible as a richly collaborative and coherent work of literary art exploring how earlier books influence the creation and interpretation of later ones Provides illuminating commentary supplemented by explanatory textboxes maps illustrations and study questions to enhance interest and expand learning Introduces poetic and narrative devices like doubling juxtaposition and irony within the context of scriptural art and editorial design Gives extensive attention to each biblical book resulting in the most comprehensive introduction to literary Bible study to date Presents these materials through an accessible and lively text permeated with references to both high and popular culture Literary Study of the Bible will be a welcome addition to personal school college and congregational libraries as well as an excellent text for students of the Bible in both secular and faith based settings **The True Myth of Gay Jesus** Rupert Eversong,2025-09-06 Jesus His public life changed world history Two thousand years on his deeds inspire billions of people Yet when it comes to his personal life not much is known A beloved bond did exist between Jesus and a close male disciple Descriptions in the gospel of John attest to that But the Christian church has never acknowledged that Jesus may have been a gay man In fact large swathes of this institution continue to deny the validity of LGBTQIA people Or at best tardily bestow a limited recognition Then in 2026 everything changes Professor Lynda Jansen a humble Canadian historian publishes the contents of six papyri The Six Papyri prove definitively that Jesus was in a loving same sex relationship with his devoted follower Lazarus Jesus is gay How do you react How does the Church react let alone the entire world Will the scourge of Christian homophobia end at last Welcome to The True Myth of Gay Jesus Moving Engrossing Liberating Fact, Faith and

How the Gospels Became History M. David Litwa, 2019-08-06 A compelling comparison of the gospels and Greco Roman mythology which shows that the gospels were not perceived as myths but as historical records Did the early Christians believe their myths Like most ancient and modern people early Christians made efforts to present their myths in the most believable ways In this eye opening work M David Litwa explores how and why what later became the four canonical gospels take on a historical cast that remains vitally important for many Christians today Offering an in depth comparison with other Greco Roman stories that have been shaped to seem like history Litwa shows how the evangelists responded to the pressures of Greco Roman literary culture by using well known historiographical tropes such as the

mention of famous rulers and kings geographical notices the introduction of eyewitnesses vivid presentation alternative reports and so on In this way the evangelists deliberately shaped myths about Jesus into historical discourse to maximize their believability for ancient audiences **The Biblical Repertory and Princeton Review** ,1871
