The Gospel According to the Apostles

John F. MacArthur, 2005-03-06 The apostles understood the Gospel as they learned from and personally lived alongside Jesus and these lessons became the heart of their message to an unsaved world But what does their perspective mean for modern Christians and how can we read the Bible through their unique lens today Following the release of his bestselling book *The Gospel According to Jesus* Dr MacArthur noticed that Christians were looking for practical advice spiritual counsel and accessible explanations of the Bible And most of all they wanted help understanding their experiences within Christianity Dr MacArthur realized that by examining scripture from the perspective of the apostles themselves even more Christians could come to know the Gospel as Jesus' earliest followers did In his characteristic compelling style Dr MacArthur examines some of the key passages from the Epistles and Acts that reveal how the apostles first shared the gospel and how they unfolded the truths of salvation to the early church Dr MacArthur doesn't shy away from answering some of the difficult questions that he's been asked over the years including What is cheap grace Have some Christians adopted a no lordship theology What must a person do to be considered righteous by God How should we call people to faith Do our works have any effect on our salvation *The Gospel According to the Apostles* is a book for every Christian who wants to experience understand and fall in love with the same gospel that Jesus preached

The Gospel According to Jesus John F. MacArthur, 2009-05-26 What is authentic faith *The Gospel According to Jesus* challenges Christians to re-evaluate their commitment to Christ by examining their fruits MacArthur asks What does it really mean to be saved He urges readers to understand that their conversion was more than a mere point in time that by definition it includes a lifetime of obedience John MacArthur tackles the error of easy believism by addressing these questions Is it possible to accept Jesus as Savior while refusing him as Lord Can someone truly believe without actually repenting How do obedience commitment to Christ and turning from sin fit together with the truth that we are saved by grace through faith alone *The Gospel According to Jesus* is just as powerful today as it was more than two decades ago It is a Scripture-based clarion call for a rejection of the watered-down message that has gained popularity in the church and a return to the gospel Jesus preached This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic reinforcing the book's timeless message that Jesus demands to be both Savior and Lord to all who believe This book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ

The Gospel of the Kingdom Philip Mauro, 2014-05-21 Through an incident of recent occurrence I was made aware of the extent far greater than I had imagined to which the modern system of dispensationalism has found acceptance amongst orthodox Christians and also of the extent correspondingly great to which the recently published Scofield Bible which is the main vehicle of the new system of doctrine referred to has usurped the place of authority that belongs to God's Bible alone The fact is that dispensationalism is modernism It is modernism moreover of a

very pernicious sort such that it must have a Bible of its own for the propagation of its peculiar doctrines since they are not in the Word of God Ample proof of this will be given in the pages that follow From the Author s Preface Ravenbrook Publishers

The Gospel of the Kingdom: The Life of Jesus Christ and the Kingdom of God - A Dispensational Commentary (Hardcover) Philip Mauro,2018-07-25 In this insightful book Philip Mauro offers commentary to demonstrate how Jesus and the Kingdom of God is alive and vibrant all around us In this thorough refutation of the dispensation movement Mauro demonstrates how the dispensationalist traditions of the past are simply untrue He examines each of the seven principles and sets them against the words of the Holy Scripture demonstrating how each is inconsistent with what is taught in the Bible Mauro doggedly cites the Bible throughout this text explaining the deeper passages with the clarity only a gifted and studied preacher acquires His firm belief is that the truest Christianity whereby believers gain closeness of God and His Kingdom is not to be found in the tenets of dispensationalism but the original Holy Bible Although composed in the 1920s Mauro s book shines with clarity and retains its relevance to this day

The Gospel of the Christ Thomas Lewis Stegall,2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith

The Gospel of Matthew and Its Readers Howard Clarke,2003-08-07 The Gospel of Matthew and Its Readers is a biblical commentary with a difference Howard Clarke first establishes contemporary scholarship s mainstream view of Matthew s Gospel and then presents a sampling of the ways this text has been read understood and applied through two millennia By referring forward to Matthew s readers rather than back to the text s composers the book exploits the tensions between what contemporary scholars understand to be the intent of the author of Matthew and the quite different indeed often eccentric and bizarre ways this text has been understood assimilated and applied over the years The commentary is a testament to the ambiguities and elasticity of the text and a cogent reminder that interpretations are not fixed nor texts immutably relevant And unlike other commentaries this one gives space to those who have questioned rejected or even ridiculed Matthew s messages since Bible bashing like Bible thumping is a historically significant part of the experience of reading the Bible

The Dispensational-Covenantal Rift R. Todd Mangum,2007-06-01 This groundbreaking study explores how the fight between dispensationalists and covenant theologians started and how a unique dynamic of personalities and sociological factors enflamed it Readers may be surprised to discover that even the terminology of dispensationalists and

covenant theologians originated in the 1930s disputes that the majority of the original protagonists on both sides were Presbyterians and that soteriology rather than eschatology was the original bone of contention between them This study examines how two respective strands of fundamentalism came to identify one another as theological rivals as they each vied for position in their recently formed separatist bodies The significance of disagreements over dispensationalism is explored in the founding of the Orthodox Presbyterian and Bible Presbyterian churches And then as the debate traveled southward the response of the PCUS is examined with special attention given to the consummative reports of an ad hoc committee that found dispensationalism to be out of harmony with the Westminster doctrinal standards Significant misunderstandings that impeded fruitful dialogue from the beginning are clarified particularly those that have persisted most stubbornly to the present day Perhaps most surprising of all the reader will discover that nearly all of the original points of debate between dispensationalists and covenant theologians have since been resolved as each side has honed its position in light of pertinent critiques Why has this development gone almost unnoticed This study suggests an answer and proposes that understanding how the feud began may hold the key to rapprochement today *Dispensationalism* Charles C. Ryrie, 2007-02-01

Dispensationalism continues to provoke heated debate within the Christian world Highly acclaimed theologian Dr Charles C Ryrie addresses this crucial issue from the perspective of classic dispensationalism He confronts the views of covenant theology historical premillennialism ultradispensationalism and in this revised edition the increasingly popular progressive dispensationalism In his best selling book *Dispensationalism Today* written more than thirty years ago Dr Ryrie made this complex subject more understandable for thousands worldwide This revised and expanded version of that book will prove to be an invaluable reference tool for your library **The Gospel Of the Kingdom of God, Form #17.003** Dr. Brook
