Innovations of Antiquity Daniel L. Selden,Ralph Hexter,2013-11-19 A collection of essays representing the cutting edge of critical thinking in Greek and Roman literature in America today *The Fiction of Occasion in Hellenistic and Roman Poetry* Adrian Gramps,2021-07-05 The aim of this book is to devise a method for approaching the problem of presence in Hellenistic and Roman poetry The problem of presence as defined here is the problem of the availability or accessibility to the reader of the fictional worlds disclosed by poetry From Callimachus Hymns to the Odes of Horace poets of this era repeatedly challenge readers by beckoning them to explore fictive spaces which are at once familiar and otherworldly realms of the imagination which are nevertheless firmly rooted in the lived reality of the poets and their contemporaries We too when we read these poems may feel simultaneously a sense of being transported to a world apart and of being seized upon by the poem s address in the here and now of reading The fiction of occasion is proposed as a new conceptual tool for understanding how these poems produce such problematic presences and what varieties of experience they make possible for their readers The fiction of occasion is defined as a phenomenon whereby a poem is fictionally framed as part of a material event or occasion with which the reader is invited to engage through the medium of the senses The book explores this concept through close readings of key authors from the corpus of first person poetry written in Greek and Latin between the 3rd century BCE and the 1st century CE with a focus on Callimachus Bion Catullus Propertius and Horace The ultimate purpose of these readings is to move towards developing a new vocabulary for conceptualising ancient poetry as an embodied experience Shelley and Greece J. Wallace,1997-05-30 Traditionally Hellenism is seen as the uncontroversial and beneficial influence of Greece upon later culture Drawing upon new ideas from culture and gender theory Jennifer Wallace rethinks the nature of classical influence and finds that the relationship between the modern west and Greece is one of anxiety fascination and resistance Shelley s protean and radical writing questions and illuminates the contemporary Romantic understanding of Greece This book will appeal to students of Romantic Literature as well as to those interested in the classical tradition Encyclopedia of Literature and Criticism Martin Coyle,Peter Garside,Malcolm Kelsall,John Peck,2002-09-11 Contains essays by approximately ninety scholars and critics in which they investigate various aspects of

English literary eras genres and works and includes bibliographies and suggestions for further reading [Poetic Form and British Romanticism](#) Stuart Curran, 1990-02-22 Across Europe and particularly in Great Britain the Romantic age coincided with a large scale revival of lost literatures and the first attempts to create a coherent history of Western literature Calling into question that history Stuart Curran demonstrates that the Romantic poets far from being indifferent or hostile to popular forms of literature were actually obsessed with them as repositories of literary conventions and conveyors of implicit ideological value Whether in their proccupation with fixed forms which resulted in the incomparable artistry of Romantic odes or in their rethinking of major genres like the pastoral the epic and the romance the Romantic poets transformed every element they touched to suit their own democratic secular and skeptical ethos a world view recognizably modern in its dimensions [Virgil's Eclogues and the Art of Fiction](#) Raymond Kania, 2016-03-08 A new comprehensive study of Virgil s Eclogues that reinterprets an ancient text and genre as imaginative fiction [Virgil's Garden](#) Frederick Jones, 2013-05-09 Virgil s book of bucolic verse the Eclogues defines a green space separate from the outside worlds both of other Roman verse and of the real world of his audience However the boundaries between inside and outside are deliberately porous The bucolic natives are aware of the presence of Rome and Virgil himself is free to enter their world Virgil s bucolic space is in many ways a poetic replication of the public and private gardens of his Roman audience enclosed green spaces which afforded the citizen sheltered social and cultural activities temporary respite from the turbulence of public life and a tamed landscape in which to play out the tensions between the simple ideal and the complexities of reality This book examines the Eclogues in terms of the relationship between its contents and its cultural context making connections between the Eclogues and the representational modes of Roman art Roman concepts of space and landscape and Roman gardens

The Top Books of the Year The Green Cabinet Theocritus And The European Pastoral Lyric The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. The Green Cabinet Theocritus And The European Pastoral Lyric : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. The Green Cabinet Theocritus And The European Pastoral Lyric : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
