Lesbian and Gay Voices Frances A. Day, 2000-06-30 With a foreword by Nancy Garden, the highly acclaimed author of *Young Adult Fiction*, this thoughtfully written annotated bibliography reviews picture books, young adult fiction, short stories, nonfiction works, and biographies for young readers. Entries specify the age level, appropriateness of each work, as well as literary awards received for the work. Each annotation is followed by a list of topics in the work which the user will find cross-referenced in the topic index. With additional recommendations on books for librarians, educators, and parents, and a set of suggested guidelines for evaluating books, this user-friendly guide is valuable as both a reader resource and as a collection development tool. The guide also provides author profiles of selected writers who have made outstanding contributions to this field of literature. This information is complemented by inspiring author quotes, photographs, and lists of their books, categorized by age level and appropriateness. The up-to-date information on helpful resources for teens and their families found here, along with a select bibliography and additional indices, make this comprehensive guide a powerful and important reference tool for helping young gay and lesbian readers.

The Greenwood Encyclopedia of LGBT Issues Worldwide Chuck Stewart, 2009-12-18 This set has an ambitious scope with the goal of offering the most up-to-date international overview of key issues in the lives of lesbian, gay, bisexual, and transgender individuals. HIV/AIDS has been a major media focus, but this set fosters a broader understanding of the status of LGBT individuals in their society. More than 70 countries are represented. The clear, accessible prose is appropriate for high school student research on up. The material is especially needed in a cultural climate that increasingly supports and requires information about LGBT populations. The content is useful for a paper on a hot topic, health classes, discussion groups, and gay/straight alliance groups.
