McCalister, 2022-06-10 This book is a culmination of

many people's suggestions that I actually write a book about all of the miracles that I've seen during my life. Beginning with my own life and including what it was like growing up in the 1960s, the majestic temple I saw floating in the sky, the power and the glory I beheld while looking at the vision I saw while working for W. W. Grainger and especially the two people I saw whom I knew had already passed away. Because of the things I've seen, I felt compelled by God to let people know that death is not the end but a doorway to the next level of human existence. He wants me to reassure and counsel everyone who has had a loved one taken from them and to let them know that they are young again and very much alive on the other side.

A harrowing account of a courageous skydiving instructor's determination to save an unconscious diver. A woman's first-person tale of remaining awake as she received a brain operation. In addition, the book features bonus material never before published in the magazine, along with full-color illustrations and inspiring quotes. **NIV, Big Dreams Big Prayers Bible for Kids** Zondervan, 2016-01-26.
