

SLAVERY AND OTHER FORMS OF UNFREE LABOUR

Edited by Léonie Archer

Slavery And Other Forms Of Unfree Labour

Paul E. Lovejoy, Nicholas Rogers

Slavery And Other Forms Of Unfree Labour:

Slavery Leonie Archer, 2013-07-04 First published in 1988 Bringing together normally self contained areas of research this book presents penetrating analyses of the nature and perpetuation of slavery through the ages *Slavery and Other Forms of Unfree Labour* Léonie J. Archer, 1988-01-01 Bringing together normally self contained areas of research this book presents penetrating analyses of the nature and perpetuation of slavery through the ages This title available in eBook format Click here for more information Visit our eBookstore at www.ebookstore.tandf.co.uk *Women and Slavery: Africa, the Indian Ocean world, and the medieval north Atlantic* Gwyn Campbell, Suzanne Miers, Joseph Calder Miller, 2007 The particular experience of enslaved women across different cultures and many different eras is the focus of this work **Slavery and Bonded Labor in Asia, 1250-1900**, 2021-10-11 Slavery and Bonded Labor in Asia 1250 1900 is the first collection of studies to focus on slavery and related forms of labor throughout Asia The 15 chapters by an international group of scholars assess the current state of Asian slavery studies discuss new research on slave systems in Asia identify avenues for future research and explore new approaches to reconstructing the history of slavery and bonded labor in Asia and by extension elsewhere in the globe Individual chapters examine slavery slave trading abolition and bonded labor in places as diverse as Ceylon China India Korea the Mongol Empire the Philippines the Sulu Archipelago and Timor in local regional pan regional and comparative contexts Contributors are Richard B Allen Michael D Bennett Claude Chevalyere Jeff Fynn Paul Hans H gerdal Shawna Herzog Jessica Hinchy Kumari Jayawardena Rachel Kurian Bonny Ling Christopher Lovins Stephanie Mawson Anthony Reid James Francis Warren Don J Wyatt Harriet T Zurndorfer **The Class Struggle in the Ancient Greek World** G. E. M. Ste. Croix, 2025-07-01 The Class Struggle in the Ancient Greek World is an original and provocative reconstruction of 1 400 years of classical antiquity Sharply written it is a major intervention in Marxist theories of class seeking to explain and illustrate the value of Marx s general analysis of society to ancient Greek studies G E M de Ste Croix makes slavery central to the achievements of the Greek city states and wider classical civilisation He traces the social origins of Athenian democracy and advances an innovative explanation for the decline and fall of the Roman Empire Comparing the late Roman political system to a vampire bat Ste Croix argues that serfdom and a tightening fiscal screw left the peasant masses indifferent to the Empire s fate Widely reviewed and debated The Class Struggle in the Ancient Greek World was hailed by the New York Review of Books as the only work in a Western language that has ever attempted to tell the story of the greatest part of the ancient world with the interests of the lower classes as its central theme **Revisiting Slavery and Antislavery** Laura Brace, Julia O'Connell Davidson, 2018-09-04 Despite growing popular and policy interest in new slavery with contemporary abolitionists calling for action to free an estimated 40 million modern slaves interdisciplinary and theoretical dialogue has been largely missing from scholarship on modern slavery This edited volume will provide a space to reinvigorate the theory and practice of representing slavery and related systems of domination in particular our

understandings of the binary between slavery and freedom in different historical and political contexts The book takes a critical approach interrogating the concept of modern slavery by exploring where it has come from and its potential for obscuring and foreclosing new understandings Including contributions from philosophers political theorists sociologists anthropologists and English literature scholars it adds to the emerging critique of the concept of modern slavery through its focus on the connections between the past of Atlantic World slavery the present of contemporary groups whose freedoms are heavily restricted prisoners child labourers in the Global South migrant domestic workers and migrant wives and the futures envisaged by activists struggling against different elements of the systems of domination that Atlantic World slavery relied upon and spawned Revisiting Slavery Antislavery will be of indispensable value to scholars students policy makers and activists in the fields of human rights modern history international politics social policy sociology and global inequality

Slavery and Bondage in Medieval North India Shadab Bano,2024-11-15 This book examines slavery in India from the Turkish conquest of North India to the centuries of Mughal rule It focuses on the northern Islamic regimes treatment of slavery but not limited or determined by the actions and demands of the ruling class alone Societies normalized the practices and the norms were socially constituted which included slaves acceptance resistance and use of agency in the process It shows how the transformations on the ground made the social economic and ethical environment of slavery no longer the same over the centuries and the expansion or contraction of slavery corresponded to the structural changes and ethical developments specific to the Indian milieu The volume will be of great interest to scholars and researchers of South Asian studies history and slavery

Labour Regime Change in the Twenty-First Century Tom Brass,2011-09-09 Historical debates about capitalism unfreedom and primitive accumulation suggest Marxism accepts that where class struggle is global capitalists employ unfree workers Labour power as commodity means the free unfree distinction informs the process of becoming being remaining and acting as a proletariat

Structure of Slavery in Indian Ocean Africa and Asia Gwyn Campbell,2004-11-23 The abolition of slavery in and around the Western Indian Ocean have been little studied This collection examines the meaning of slavery and its abolition in relation to specific indigenous societies and to Islam a religion that embraced the entire region and draws comparisons between similar developments in the Atlantic system Case studies include South Africa Mauritius Madagascar the Benadir Coast Arabia the Persian Gulf and India This volume marks an important new development in the study of slavery and its abolition in general and an original approach to the history of slavery in the Indian Ocean and Asia regions

Peasant-Citizen and Slave Ellen Meiksins Wood,2015-11-03 The controversial thesis at the center of this study is that despite the importance of slavery in Athenian society the most distinctive characteristic of Athenian democracy was the unprecedented prominence it gave to free labor Wood argues that the emergence of the peasant as citizen juridically and politically independent accounts for much that is remarkable in Athenian political institutions and culture From a survey of historical writings of the eighteenth and nineteenth centuries the

focus of which distorted later debates Wood goes on to take issue with recent arguments such as those of G E M de Ste Croix about the importance of slavery in agricultural production The social political and cultural influence of the peasant citizen is explored in a way which questions some of the most cherished conventions of Marxist and non Marxist historiography

Abolition and Its Aftermath in the Indian Ocean Africa and Asia Gwyn Campbell, 2013-01-11 This important collection of essays examines the history and impact of the abolition of the slave trade and slavery in the Indian Ocean World a region stretching from Southern and Eastern Africa to the Middle East India Southeast Asia and the Far East Slavery studies have traditionally concentrated on the Atlantic slave trade and slavery in the Americas In comparison the Indian Ocean World slave trade has been little explored although it started some 3 500 years before the Atlantic slave trade and persists to the present day This volume which follows a collection of essays *The Structure of Slavery in Indian Ocean Africa and Asia* Frank Cass 2004 examines the various abolitionist impulses indigenous and European in the Indian Ocean World during the nineteenth and twentieth centuries It assesses their efficacy within a context of a growing demand for labour resulting from an expanding international economy and European colonisation The essays show that in applying definitions of slavery derived from the American model European agents in the region failed to detect or deliberately ignored other forms of slavery and as a result the abolitionist impulse was only partly successful with the slave trade still continuing today in many parts of the Indian Ocean World

The Anti-Slavery Project Joel Quirk, 2011-05-26 It is commonly assumed that slavery came to an end in the nineteenth century While slavery in the Americas officially ended in 1888 millions of slaves remained in bondage across Africa Asia and the Middle East well into the first half of the twentieth century Wherever laws against slavery were introduced governments found ways of continuing similar forms of coercion and exploitation such as forced bonded and indentured labor Every country in the world has now abolished slavery yet millions of people continue to find themselves subject to contemporary forms of slavery such as human trafficking wartime enslavement and the worst forms of child labor *The Anti Slavery Project From the Slave Trade to Human Trafficking* offers an innovative study in the attempt to understand and eradicate these ongoing human rights abuses In *The Anti Slavery Project* historian and human rights expert Joel Quirk examines the evolution of political opposition to slavery from the mid eighteenth century to the present day Beginning with the abolitionist movement in the British Empire Quirk analyzes the philosophical economic and cultural shifts that eventually resulted in the legal abolition of slavery By viewing the legal abolition of slavery as a cautious first step rather than the end of the story he demonstrates that modern anti slavery activism can be best understood as the latest phase in an evolving response to the historical shortcomings of earlier forms of political activism By exposing the historical and cultural roots of contemporary slavery *The Anti Slavery Project* presents an original diagnosis of the underlying causes driving one of the most pressing human rights problems in the world today It offers valuable insights for historians political scientists policy makers and activists seeking to combat slavery in all its forms

Unfree Labour in the Development of the Atlantic

World Paul E. Lovejoy, Nicholas Rogers, 1993-12-31 This group of studies first appeared in a special issue on Unfree labour in the development of the Atlantic world in *Slavery abolition* vol 15 no 2 August 1994 published by Frank Cass T p verso Includes bibliographical references and index 180 Day Access Global Political Economy Erin Hannah, What constitutes Global Political Economy In whose interest is GPE constructed and by whom How can injustices in GPE best be redressed These are some of the key questions addressed in the 7th edition of this highly regarded highly regarded textbook As an ever evolving field subject to constant changes and developments the new edition provides a comprehensive introduction to the subject written by leading experts in the field Edited by Dr Erin Hannah the 7th edition surveys major contemporary issues and debates in GPE while being attuned to the silences marginalizations and exclusions that predominate the field By integrating a wide range of theoretical approaches rich empirical material non western viewpoints and diversity of contributors the 7th edition provides enhanced coverage of the central axes of inequality in GPE and centers topics such as colonialism race gender North South divides and everyday life **The Story of Work** Jan Lucassen, 2021-07-27 The first truly global history of work an upbeat assessment from the age of the hunter gatherer to the present day We work because we have to but also because we like it from hunting gathering over 700 000 years ago to the present era of zoom meetings humans have always worked to make the world around them serve their needs Jan Lucassen provides an inclusive history of humanity s busy labor throughout the ages Spanning China India Africa the Americas and Europe Lucassen looks at the ways in which humanity organizes work in the household the tribe the city and the state He examines how labor is split between men women and children the watershed moment of the invention of money the collective action of workers and at the impact of migration slavery and the idea of leisure From peasant farmers in the first agrarian societies to the precarious existence of today s gig workers this surprising account of both cooperation and subordination at work throws essential light on the opportunities we face today Slaves of Fortune Ronald M. Lamothe, 2011 The Anglo Egyptian re conquest of Sudan Churchill s River War has been well chronicled from the British point of view but we still know little about its front line troops the Sudanese soldiers of the Egyptian Army Making use of unpublished primary sources and published material located in the United Kingdom and Sudan *Slaves of Fortune* provides an historiographic correction It argues that nineteenth century Sudanese slave soldiers were social beings and historical actors shaping both European and African destinies just as their own lives were being transformed by imperial forces Jacket **Democracy Against Capitalism** Ellen Meiksins Wood, 2016-03-01 Historian and political thinker Ellen Meiksins Wood argues that theories of postmodern fragmentation difference and contingency can barely accommodate the idea of capitalism let alone subject it to critique In this book she sets out to renew the critical program of historical materialism by redefining its basic concepts and its theory of history in original and imaginative ways using them to identify the specificity of capitalism as a system of social relations and political power She goes on to explore the concept of democracy in both the ancient and modern world examining its relation to

capitalism and raising questions about how democracy might go beyond the limits imposed on it The Routledge Handbook to the History and Society of the Americas Olaf Kaltmeier,Josef Raab,Mike Foley,Alice Nash,Stefan Rinke,Mario Rufer,2019-04-12 The colonial heritage and its renewed aftermaths expressed in the inter American experiences of slavery indigeneity dependence and freedom movements to mention only a few aspects form a common ground of experience in the Western Hemisphere The flow of peoples goods knowledge and finances have promoted interdependence and integration that cut across borders and link the countries of North and South America together The nature of this transversally related and multiply interconnected region can only be captured through a transnational multidisciplinary and comprehensive approach The Routledge Handbook to the History and Society of the Americas explores the history and society of the Americas placing particular emphasis on collective and intertwined experiences Forty four chapters cover a range of concepts and dynamics in the Americas from the colonial period until the present century The shared histories and dynamics of Inter American relationships are considered through pre Hispanic empires colonization European hegemony migration multiculturalism and political and economic interdependences Key concepts are selected and explored from different geopolitical disciplinary and epistemological perspectives Highlighting the contested character of key concepts that are usually defined in strict disciplinary terms the Handbook provides the basis for a better and deeper understanding of inter American entanglements This multidisciplinary approach will be of interest to a broad array of academic scholars and students in history sociology political science cultural postcolonial gender literary and globalization studies Slavery and Resistance in Africa and Asia Edward A. Alpers,Gwyn Campbell,Michael Salman,2013-09-13 First published in 2004 This book previously published as a special issue of the journal Slavery and Abolition provides pioneering studies on the nature and structure of resistance to forms of bondage in Africa Asia and the Indian Ocean world *Marxism and History* S. H. Rigby,2024-06-04 This critically acclaimed book now in its second edition is firmly established as an essential guide to this recent historiographical debate Adopted as a set book by the Open University An indispensable guide to Marxist historiography for undergradu

Decoding **Slavery And Other Forms Of Unfree Labour**: Revealing the Captivating Potential of Verbal Expression

Slavery And Other Forms Of Unfree Labour Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Slavery And Other Forms Of Unfree Labour PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to

focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Slavery And Other Forms Of Unfree Labour PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Slavery And Other Forms Of Unfree Labour free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
