Slavery In Africa Historical And Anthropological Perspectives

Gwyn Campbell

Slavery In Africa Historical And Anthropological Perspectives:

Slavery in Africa Suzanne Miers, Igor Kopytoff, 1977 This collection of sixteen short papers together with a complex and very much longer introductory essay by the editors on African Slavery as an Institution of Marginality constitutes an impressive attempt by anthropologists and historians to explore describe and analyze some of the various kinds of human bondage within a number of precolonial African societies It is important to note that in spite of the precolonial emphasis of the volume all of the essays are based at least partly on anthropological or ethnohistorical field research carried out since 1959 All but one have been augmented greatly by more conventional historical research in published as well as archival sources And although the volume s focus is upon the structures and conditions of servitude within the several African societies described many of the essays illustrate and some discuss the conceptual as well as the practical difficulties of separating the institutions and customs of domestic African slavery from those of the European dominated commercial slave trade in which many of the societies participated from JSTOR <http://www.jstor.org> May 24 2013 **Slavery in Africa** Igor Kopytoff, Suzanne Miers, 1977 *Slaves and Slavery in Africa* John Ralph Willis, 2005-08-12 First Published in 1986 Slavery in Islamic Africa has been a fascinating subject to which many scholars have referred but of which no detailed monograph has emerged The better part of the essays in these volumes has its ancestry in a conference held at Princeton University during the Summer of 1977 under the title Islamic Africa Slavery and Related Institutions At that international gathering four principal themes dominated discussion the servile estate its genesis and composition the master slave connection and the post servile condition patterns and perspectives of slave trading the legacy of Islamic slavery in Africa to contemporary societies Slavery in the Global Diaspora of Africa Paul E. Lovejoy, 2019-03-07 The collective significance of the themes that are explored in *Slavery in the Global Diaspora of Africa* bridge the Atlantic and thereby provide insights into historical debates that address the ways in which parts of Africa fitted into the modern world that emerged in the Atlantic basin The study explores the conceptual problems of studying slavery in Africa and the broader Atlantic world from a perspective that focuses on Africa and the historical context that accounts for this influence Paul Lovejoy focuses on the parameters of the enforced migration of enslaved Africans including the impact on civilian populations in Africa constraints on migration and the importance of women and children in the movement of people who were enslaved The prevalence of slavery in Africa and the transformations of social and political formations of societies and political structures during the era of trans Atlantic migration inform the book s research The analysis places Africa specifically western Africa at the center of historical change not on the frontier or periphery of western Europe or the Americas and provides a global perspective that reconsiders historical reconstruction of the Atlantic world that challenges the distortions of Eurocentrism and national histories *Slavery in the Global Diaspora of Africa* will be of interest to scholars and students of colonial history African history Diaspora Studies the Black Atlantic and the history of slavery *Landscapes of Slavery in Africa* Lydia Wilson Marshall, 2021-05-15

Slavery was a large scale process that put its mark on the African landscape in tangible ways for example through the capture transfer and imprisonment of captives and through the avoidance strategies that vulnerable communities used against slaving Certainly the expansion of trade routes the depopulation of slaved regions and an increased reliance on defensive architecture and places of concealment can all be linked to slaving and slavery in Africa But how do we view these landscapes of slavery today And can archaeology help us Encompassing studies from Senegal Ghana Mauritius Tanzania and Kenya this volume grapples with such essential questions The authors advocate for the power of archaeology as a tool to disentangle often lengthy and complex landscape histories that both begin before slavery and continue after abolition They also argue for archaeologists central role in reimagining how we might remember and commemorate slavery in places where its history has been forgotten obscured by European colonialism or sanitized and simplified for tourist consumption The chapters in this book were originally published in a special issue of the Journal of African Diaspora Archaeology and Heritage

Slavery and Colonial Rule in Africa Martin A. Klein, Suzanne Miers, 2013-05-13 This book brings together a series of new case studies some by young scholars others by widely published authors All are based on original research and designed to enhance our understanding of the process of the abolition of slavery in Africa at the grass roots level Part of the studies are on new areas of interest such as the German colonies and the Algerian Sahara Others throw new light on questions already debated such as emancipation of the Gold Coast Some focus on the impact of abolition on particular groups of slaves such as the royal slaves in Nigeria and concubines in Morocco Among the themes considered is the role of slaves in their own emancipation the short and long term results of abolition the role of the League of Nations and the vestiges of slavery in Africa today Slave Cultures and the Cultures of Slavery Stephan Palmié, 1995 Historians and anthropologists focus on the cultural dimensions of slavery in various geographical and historical settings They deal with conceptual and theoretical problems in current slavery studies as well as issues including Native American slaveholding the integration of former slaves into West African societies slave life on Caribbean sugar plantations slave cultures in Suriname female slave owners on the Gold Coast and Maroon communities Annotation copyright by Book News Inc Portland OR **The End of Slavery in Africa** Suzanne Miers, 1988 This is the first comprehensive assessment of the end of slavery in Africa Editors Suzanne Miers and Richard Roberts with the distinguished contributors to the volume establish an agenda for the social history of the early colonial period when the end of slavery was one of the most significant historical and cultural processes The End of Slavery in Africa is a sequel to Slavery in Africa edited by Suzanne Miers and Igor Kopytoff and published by the University of Wisconsin Press in 1977 The contributors explore the historical experiences of slaves masters and colonials as they all confronted the end of slavery in fifteen sub Saharan African societies The essays demonstrate that it is impossible to generalize about whether the end of slavery was a relatively mild and nondisruptive process or whether it marked a significant change in the social and economic organization of a given society There was no common pattern and no uniform

consequence of the end of slavery The results of this wide ranging inquiry will be of lasting value to Africanists and a variety of social and economic historians Slavery from Roman Times to the Early Transatlantic Trade William D. Phillips,1985

Structure of Slavery in Indian Ocean Africa and Asia Gwyn Campbell,2004-11-23 The abolition of slavery in and around the Western Indian Ocean have been little studied This collection examines the meaning of slavery and its abolition in relation to specific indigenous societies and to Islam a religion that embraced the entire region and draws comparisons between similar developments in the Atlantic system Case studies include South Africa Mauritius Madagascar the Benadir Coast Arabia the Persian Gulf and India This volume marks an important new development in the study of slavery and its abolition in general and an original approach to the history of slavery in the Indian Ocean and Asia regions *A Companion to African History* William H. Worger,Charles Ambler,Nwando Achebe,2018-09-11 Covers the history of the entire African continent from prehistory to the present day A Companion to African History embraces the diverse regions subject matter and disciplines of the African continent while also providing chronological and geographical coverage of basic historical developments Two dozen essays by leading international scholars explore the challenges facing this relatively new field of historical enquiry and present the dynamic ways in which historians and scholars from other fields such as archaeology anthropology political science and economics are forging new directions in thinking and research Comprised of six parts the book begins with thematic approaches to African history exploring the environment gender and family medical practices and more Section two covers Africa s early history and its pre colonial past early human adaptation the emergence of kingdoms royal power and warring states The third section looks at the era of the slave trade and European expansion Part four examines the process of conquest the discovery of diamonds and gold military and social response and more Colonialism is discussed in the sixth section with chapters on the economy transformed due to the development of agriculture and mining industries The last section studies the continent from post World War II all the way up to modern times Aims at capturing the enthusiasms of practicing historians and encouraging similar passion in a new generation of scholars Emphasizes linkages within Africa as well as between the continent and other parts of the world All chapters include significant historiographical content and suggestions for further reading Written by a global team of writers with unique backgrounds and views Features case studies with illustrative examples In a field traditionally marked by narrow specialisms A Companion to African History is an ideal book for advanced students researchers historians and scholars looking for a broad yet unique overview of African history as a whole **Uncovering the History of Africans in Asia** Shihan de Silva Jayasuriya,Jean-Pierre Angenot,2008-07-31 Study of the African diaspora is now a dynamic field in the development of new methods and approaches to African history This book brings together the latest research on African diaspora in Asia with case studies about India and the Indian Ocean islands Women and Slavery: The modern Atlantic Gwyn Campbell,Suzanne Miers,Joseph Calder Miller,2007 The particular experience of enslaved women across different cultures and many different eras is the focus of

this work **The World and a Very Small Place in Africa** Donald R. Wright, 2015-02-12 Niumi a small little known territory located on the bank of the Gambia River in West Africa is seemingly far from the reaches of world historical events And yet the outside world has long had a significant and increasingly profound impact on Niumi This fascinating work shows how global events have affected people's lives over the past eight centuries in this small region in Africa's smallest country Drawing on written and oral testimony and writing in a clear and personal style Donald R Wright connects globalization with real people in a real place This new edition updates discussions of global history and African history based on current studies and new developments that have been factored into the interpretive framework Reflecting on recent visits to Niumi Wright extends the story into 2009 to consider the impact of global recession and domestic political repression under a regime in power for the past fifteen years Punctuating the narrative are photographs maps and Perspectives boxes on selected topics such as the sale of slaves five centuries ago colonial sexism the fate of press freedom and how popular culture affects growing up in a traditional society Throughout the author deals with African history seriously global trends critically and human lives sensitively *Slavery and Emancipation in Islamic East Africa* Elisabeth McMahon, 2013-04-30 This book demonstrates the links between emancipation and the redefinition of honour among all classes of people on the island of Pemba *The Slave Trade in Africa* Simon Webb, 2023-03-23 Is it true that the trans Atlantic slave trade about which so much has been heard in recent years would have been impossible without the willing and enthusiastic cooperation of African leaders Slavery was a common practice in Africa long before the arrival of Europeans with the trade in black slaves who were transported from Africa to America and the islands of the Caribbean aided by the African traders who benefited from the arrangement Even when Europe and America outlawed slavery and the slave trade those living in Africa clung tenaciously to the old ways and refused to relinquish what was to them a time honored custom Is it for this reason that slavery lingers on in Africa to this day In this book Simon Webb explores the history of slavery in Africa and finds that it was not necessarily imposed upon the continent by Europeans but was rather an integral part of many perhaps most cultures Even when the British deployed their army and navy to try to suppress the trade in slaves during the nineteenth century their efforts were largely ineffectual because many societies saw no reason to give up such an old useful and profitable system At a time when the subject of the trans Atlantic slave trade is seldom out of the news this book provides a challenge to the popularly accepted view of the matter Nobody reading it will ever view slavery and the slave trade in quite the same light again *Slavery and Resistance in Africa and Asia* Edward A. Alpers, Gwyn Campbell, Michael Salman, 2013-09-13 First published in 2004 This book previously published as a special issue of the journal *Slavery and Abolition* provides pioneering studies on the nature and structure of resistance to forms of bondage in Africa Asia and the Indian Ocean world Slavery, Resistance, and Identity in Early Modern West Africa Makhroufi Ousmane Traoré, 2023-11-30 Examines the resistance to the slave trades in seventeenth and eighteenth century West Africa and the impact this had on local identities The Anti-Slavery Project

Joel Quirk, 2011-05-26 It is commonly assumed that slavery came to an end in the nineteenth century. While slavery in the Americas officially ended in 1888, millions of slaves remained in bondage across Africa, Asia, and the Middle East well into the first half of the twentieth century. Wherever laws against slavery were introduced, governments found ways of continuing similar forms of coercion and exploitation such as forced bonded and indentured labor. Every country in the world has now abolished slavery, yet millions of people continue to find themselves subject to contemporary forms of slavery such as human trafficking, wartime enslavement, and the worst forms of child labor. The Anti Slavery Project: From the Slave Trade to Human Trafficking offers an innovative study in the attempt to understand and eradicate these ongoing human rights abuses. In The Anti Slavery Project, historian and human rights expert Joel Quirk examines the evolution of political opposition to slavery from the mid eighteenth century to the present day. Beginning with the abolitionist movement in the British Empire, Quirk analyzes the philosophical, economic, and cultural shifts that eventually resulted in the legal abolition of slavery. By viewing the legal abolition of slavery as a cautious first step rather than the end of the story, he demonstrates that modern anti-slavery activism can be best understood as the latest phase in an evolving response to the historical shortcomings of earlier forms of political activism. By exposing the historical and cultural roots of contemporary slavery, The Anti Slavery Project presents an original diagnosis of the underlying causes driving one of the most pressing human rights problems in the world today. It offers valuable insights for historians, political scientists, policy makers, and activists seeking to combat slavery in all its forms.

Children on the Move in Africa Élodie Razy, Marie Rodet, 2016 A timely interdisciplinary comparative and historical perspective on African childhood migration that draws on the experience of children themselves to look at where, why, and how they move within and beyond the continent, and the impact of African child migration globally.

Slavery In Africa Historical And Anthropological Perspectives Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the ability of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change. Such may be the essence of the book **Slavery In Africa Historical And Anthropological Perspectives**, a literary masterpiece that delves deep in to the significance of words and their impact on our lives. Slavery In Africa Historical And Anthropological Perspectives Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Slavery In Africa Historical And Anthropological Perspectives free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Slavery In Africa Historical And Anthropological Perspectives free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By

specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Slavery In Africa Historical And Anthropological Perspectives free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Slavery In Africa Historical And Anthropological Perspectives. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Slavery In Africa Historical And Anthropological Perspectives any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Slavery In Africa Historical And Anthropological Perspectives Books

1. Where can I buy Slavery In Africa Historical And Anthropological Perspectives books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
