how the illustrations contribute to the creation of a composite visual verbal experience The extensive notes to the newly edited letterpress text will also assist readers through Milton its central themes and its byways its heights and its depths An equally helpful introduction and notes are provided for the three shorter works Scholars will find much new information in this volume

Lifting the Veil Malcolm Guite, 2022-04-29 Christianity has often been suspicious of the human imagination equating it with what is imaginary or merely made up while in the secular world the arts are often seen as little more than a source of entertainment In Lifting the Veil Malcolm Guite explores the vision from which all his writing springs that there is a radiant reality at the heart of things which our dulled sight misses and that the imagination is an aspect of the image of God in us that can awaken us to the presence and truth of God shimmering through all creation He considers how Jesus appealed to the imagination in his use of stories parables and everyday metaphors often startling people into a fresh awareness of the kingdom of God and explores how poets and artists such as Blake and Coleridge sought to remove the dull film of familiarity that lies over our senses and reawaken a sense of wonder Malcolm argues that renewing our artistic imaginations strengthens our moral and prophetic imaginations making Lifting the Veil an inspiring manifesto for all who seek to embody the kingdom of God
