Sleuths Of The Century

Ed Gorman, Martin H. Greenberg

Sleuths Of The Century:

Sleuths of the Century Edward Gorman, Jon L. Breen, 2000-01-01 Presents a collection of mystery and detective stories from such authors as Agatha Christie Raymond Chandler Ed McBain Ruth Rendell and Erle Stanley Gardner *The Quote Sleuth* Anthony W. Shipps, 1990 The tracer's goals are to identify the source of a quotation to find or to produce detailed citation based on a reliable edition of the work to find an authoritative text of the passage being traced and to do all this in the shortest time possible and with the least possible amount of effort *Sister Sleuths* Nell Darby, 2021-03-03 A unique and inherently fascinating history that brings a particular aspect of the role of women in law enforcement up out of obscurity Midwest Book Review The 1857 Divorce Act paved the way for a new career for women that of the private detective To divorce you needed proof of adultery and men soon realized that women were adept at infiltrating households and befriending wives learning secrets and finding evidence Over the course of the next century women became increasingly confident in gaining work as private detectives moving from largely unrecognized helpers to the police and to male detectives to becoming owners of their own detective agencies In fiction they were depicted as exciting creatures needing money and work in fact they were of varying ages backgrounds and marital status seeking adventure and independence as much as money Former actresses found that detective work utilized their skills at adopting different roles and disguises former spiritualists were drafted to denounce frauds and stayed to become successful private eyes and several female detectives became keen supporters of the women's suffrage movement having seen for themselves how career minded women faced obstacles in British society *Sister Sleuths* seeks to shed light on the groundbreaking women who have worked over the past century and a half to uncover wrongdoing and solve crimes The book is well researched and provides numerous examples of women who either dabbled in investigation or made it their life's work Historical Novel Society Absolutely enthralling stuff Books Monthly **Sisters, Schoolgirls, and Sleuths** Carolyn Carpan, 2008-12-04 *Sisters Schoolgirls and Sleuths* provides a social history of girls series fiction in America from the mid 19th century through the early 21st century Carpan examines popular series sub genres themes and characters found in approximately 100 popular series noting how such books reflect or subvert the culture of the era in which they were produced *Nancy Drew and Her Sister Sleuths* Michael G. Cornelius, Melanie E. Gregg, 2025-03-05 This collection of essays focuses on the girl sleuth made famous by Nancy Drew but also characterized by other famous detectives like Cherry Ames Trixie Belden Linda Carlton and even in contemporary media by Veronica Mars and Hermione Granger of the Harry Potter series Topics include the disputed origins of Nancy Drew and the Stratemeyer Syndicate the intertwined relationships between the Syndicate and Nancy Drew's many ghostwriters the distinct and evolving textual identities of the Cherry Ames series the adaptation of the traditional archetype by contemporary girl detectives like Veronica Mars Lulu Dark and Ingrid Levin Hill and the ways in which Harry Potter's Hermione Granger while a central character in the series is often at odds with the male centric fantasy genre world of Harry

Potter himself Instructors considering this book for use in a course may request an examination copy here **A Companion to Crime Fiction** Charles J. Rzepka, Lee Horsley, 2020-07-13 A Companion to Crime Fiction presents the definitive guide to this popular genre from its origins in the eighteenth century to the present day A collection of forty seven newly commissioned essays from a team of leading scholars across the globe make this Companion the definitive guide to crime fiction Follows the development of the genre from its origins in the eighteenth century through to its phenomenal present day popularity Features full length critical essays on the most significant authors and film makers from Arthur Conan Doyle and Dashiell Hammett to Alfred Hitchcock and Martin Scorsese exploring the ways in which they have shaped and influenced the field Includes extensive references to the most up to date scholarship and a comprehensive bibliography *Smell Detectives* Melanie A. Kiechle, 2017-07-18 What did nineteenth century cities smell like And how did odors matter in the formation of a modern environmental consciousness *Smell Detectives* follows the nineteenth century Americans who used their noses to make sense of the sanitary challenges caused by rapid urban and industrial growth Melanie Kiechle examines nuisance complaints medical writings domestic advice and myriad discussions of what constituted fresh air and argues that nineteenth century city dwellers anxious about the air they breathed attempted to create healthier cities by detecting and then mitigating the most menacing odors Medical theories in the nineteenth century assumed that foul odors caused disease and that overcrowded cities filled with new and stronger stinks were synonymous with disease and danger But the sources of offending odors proved difficult to pinpoint The creation of city health boards introduced new conflicts between complaining citizens and the officials in charge of the air *Smell Detectives* looks at the relationship between the construction of scientific expertise on the one hand and common sense the olfactory experiences of common people on the other Although the rise of germ theory revolutionized medical knowledge and ultimately undid this form of sensory knowing *Smell Detectives* recovers how city residents used their sense of smell and their health concerns about foul odors to understand adjust to and fight against urban environmental changes *The Encyclopedia of Twentieth-Century Fiction, 3 Volume Set* Brian W. Shaffer, 2011-01-18 This Encyclopedia offers an indispensable reference guide to twentieth century fiction in the English language With nearly 500 contributors and over one million words it is the most comprehensive and authoritative reference guide to twentieth century fiction in the English language Contains over 500 entries of 1000 3000 words written in lucid jargon free prose by an international cast of leading scholars Arranged in three volumes covering British and Irish Fiction American Fiction and World Fiction with each volume edited by a leading scholar in the field Entries cover major writers such as Saul Bellow Raymond Chandler John Steinbeck Virginia Woolf A S Byatt Samuel Beckett D H Lawrence Zadie Smith Salman Rushdie V S Naipaul Nadine Gordimer Alice Munro Chinua Achebe J M Coetzee and Ng g Wa Thiong o and their key works Examines the genres and sub genres of fiction in English across the twentieth century including crime fiction Sci Fi chick lit the noir novel and the avant garde novel as well as the major movements debates and rubrics within the field such as

censorship globalization modernist fiction fiction and the film industry and the fiction of migration diaspora and exile

Girls' Series Fiction and American Popular Culture LuElla D'Amico, 2016-03-01 *Girls Series Fiction and American Popular Culture* examines the ways in which young female heroines in American series fiction have undergone dramatic changes in the past 150 years changes which have both reflected and modeled standards of behavior for America's tweens and teen girls Though series books are often derided for lacking in imagination and literary potency that the majority of American girls have been exposed to girls series in some form whether through books television or other media suggests that this genre needs to be studied further and that the development of the heroines that girls read about have created an impact that is worthy of a fresh critical lens Thus this collection explores how series books have influenced and shaped popular American culture and in doing so girls everyday experiences from the mid nineteenth century until now The collection interrogates the cultural work that is performed through the series genre contemplating the messages these books relay about subjects including race class gender education family romance and friendship and it examines the trajectory of girl fiction within such contexts as material culture geopolitics socioeconomics and feminism

The Female Trickster Ricki Stefanie Tannen, 2014-02-25 *The Female Trickster* presents a Post Jungian postmodern perspective regarding the role of women in contemporary Western society by investigating the re emergence of female trickster energy in all aspects of popular culture Ricki Tannen explores the psychological aspects of what happened when women's imagination was legally and psychologically enclosed millennia ago and demonstrates how the re emergence of Trickster energy through the female imagination has the radical potential to effect a transformation of western consciousness Examples are drawn from a diverse range of sources from Jane Austen and female sleuth narratives to Madonna and *Sex and the City* illustrating how Trickster energy is used not to maintain power and control but to integrate and unite the paradoxical through humour Subjects covered include imagination and metaphor the traditional trickster law and the imagination humour Eros using logos the postmodern female trickster This highly original perspective on women's role in contemporary culture will offer readers a new vision of how humour psychologically operates as a healthy adaptation to trauma and adversity It will be of great interest to all analytical psychologists and psychoanalysts as well as those in women's cultural legal and literary studies

Sleuths, Sidekicks and Stooges Joseph Green, Jim Finch, 1997 This reference work on British and American crime mystery and adventure fiction in English contains 7 000 entries listed alphabetically by detective providing information about sleuths their sidekicks and their rivals A broad definition of detective is used encompassing Batman Sherlock Holmes James Bond Nero Wolfe and Hercule Poirot

Inventing the Pinkertons; or, Spies, Sleuths, Mercenaries, and Thugs S. Paul O'Hara, 2016-10-18 The fascinating story of the most notorious detective agency in US history Between 1865 and 1937 Pinkerton's National Detective Agency was at the center of countless conflicts between capital and labor bandits and railroads and strikers and state power Some believed that the detectives were protecting society from dangerous criminal

conspiracies others thought that armed Pinkertons were capital's tool to crush worker dissent Yet the image of the Pinkerton detective also inspired romantic and sensationalist novels reflected shifting ideals of Victorian manhood and embodied a particular kind of rough frontier justice *Inventing the Pinkertons* examines the evolution of the agency as a pivotal institution in the cultural history of American monopoly capitalism Historian S Paul O Hara intertwines political social and cultural history to reveal how Scottish born founder Allan Pinkerton insinuated his way to power and influence as a purveyor of valuable and often wildly wrong intelligence in the Union cause During Reconstruction Pinkerton turned his agents into icons of law and order in the Wild West Finally he transformed his firm into a for rent private army in the war of industry against labor Having begun life as peddlers of information and guardians of mail bags the Pinkertons became armed mercenaries protecting scabs and corporate property from angry strikers O Hara argues that American capitalists used the Pinkertons to enforce new structures of economic and political order Yet the infamy of the Pinkerton agent also gave critics and working communities a villain against which to frame their resistance to the new industrial order Ultimately *Inventing the Pinkertons* is a gripping look at how the histories of American capitalism industrial folklore and the nation state converged

Twenty-First Century Latin American Narrative and Postmodern Feminism Gina Ponce de Leon, 2014-06-26 The authors of *Twenty First Century Latin American Narrative and Postmodern Feminism* argue that while the more traditional feminists of the 20th century did not recognize in their theoretical and literary work the diversity of women's experiences current Latin American post feminist and post modern writers are proposing a transgressive new social order resulting in a more significant cultural resistance to the society they represent The authors included in this volume show that the narrative of the writers analyzed here is not limited to recognizing issues focused on gender or even sexuality but also explores the female aspiration of a dignified life and overcoming the dominant structures in their social political and cultural dimension The complex female situation of this millennium has become the primary quandary while searching for new forms to represent women in literature In *Twenty First Century Latin American Narrative and Postmodern Feminism* the authors confront this dilemma in a sharp sophisticated and harmonious way offering a critical text that will be of interest for both specialists and general readers interested in Latin American literature and culture of the recent years

Capitalism, Crime and Media in the 21st Century Neil Ewen, Alan Grattan, Marcus Leaning, Paul Manning, 2021-04-15 This edited collection from leading scholars in the fields of media communications cultural studies and a number of aligned areas looks to the intersection of capitalism crime and the media The text is founded on the principles of cultural criminology that how we determine and understand crime lies in the social world and that the determination of crime and its mediation in popular culture have a political basis The book consists of eleven chapters and is divided into three sections Section one considers the intersection of crime and capitalism in a range of contemporary cultural texts Section two examines how various power systems influence the operation of the media in its role of reporting crime and holding the powerful to account Section three

considers how texts in a variety of formats are used to conduct politics communicate politics and enact political decision making *Twentieth Century Crime & Mystery Writers* NA NA,2015-12-25 *A Century of Detection* John Cullen Gruesser,2014-01-10 Designed for mystery lovers as well as professors and students in college courses devoted to detective fiction this anthology features classic texts pivotal works by lesser known authors and unknown gems by major writers not typically associated with the genre Providing a chronological and thematic survey of the first 100 years of detection this volume includes stories by Edgar Allan Poe Wilkie Collins Mark Twain Arthur Conan Doyle Bret Harte G K Chesterton Mary Wilkins Freeman Anna Katharine Green Baroness Orczy Susan Glaspell Carroll John Daly Dashiell Hammett Cornell Woolrich Pauline Hopkins Chester Himes and Ralph Ellison Instructors considering this book for use in a course may request an examination copy here **The Best American Mystery Stories of the 19th Century** Otto Penzler,2014 An unparalleled treasury of American 19th century mystery fiction selected and introduced by Otto Penzler **The World's Finest Mystery and Crime Stories, Fourth Annual Collection** Ed Gorman,Martin H. Greenberg,2003-09-13 More than 200 000 words of the best mystery and suspense fiction from around the world The world s Finest Mystery and Crime Stories Each year editors Ed Gorman and Martin H Greenberg cast their net far and wide across the seas throughout the world to catch the best the most suspenseful most original intriguing confounding downright entertaining stories of crime and mystery Edgar winners from the U S Silver Dagger winners from the U K and stories from elsewhere as well come together here in a bountiful crop of great stories by the best in the business including Lawrence Sanders Jon L Breen Stanley Cohen Bill Crider Jeffery Deaver Jeremiah Healy Clark Howard Susan Isaacs John Lutz Sharyn McCrumb Ralph McInerney Anne Perry Bill Pronzini Donald E Westlake and many others This book s a killer At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied The Gay Male Sleuth in Print and Film Drew Wayne Gunn,2013 This new edition of *The Gay Male Sleuth in Print and Film* provides an overview of milestones in the development of gay detectives over the last several decades Also included in this volume is an annotated list of novels short stories plays graphic novels comic strips film The Boy Detectives Michael G. Cornelius,2014-01-10 Much has been written about the girl sleuth in fiction a feminist figure embodying all the potential wit and drive of girlhood Her male counterpart however has received much less critical attention despite his popularity in the wider culture This collection of 11 essays examines the boy detective and his genre from a number of critical perspectives addressing the issues of these young characters heirs to the patriarchy yet still concerned with first crushes and soda shop romances Series explored include the Hardy Boys Tom Swift the Three Investigators Christopher Cool and Tim Murphy as well as works by Astrid Lindgren Mark Haddon and Joe Meno
