wrestling promoter who was a vital partner in her constant efforts at self promotion But by 1950 Babe was deeply involved with a young golfer Betty Dodd whose for the record discussion of their remarkable love is included in Babe Stricken with cancer in her prime Babe went on to courageously and publicly fight the disease Babe is a comprehensive in depth biography of a woman who was a great athlete at a time when it was extremely difficult for a woman to be her own person Through interviews with members of Babe s family her golf peers and medical personnel Cayleff caringly reveals the life and probes the legend of this unusual American hero She unflinchingly examines the athletic community the media and the society that both loved and judged Babe whose story embodies the struggle of all women who dare to transcend stereotypes and claim their own definitions and unique identities Babe allows her to be all the hero and all the human being she was meant to be
