Struggle For Labor Loyalty Gompers The Af Of L And The:

The Struggle for Labor Loyalty: Gompers, the A.F. of L., and the Pacifists, 1917-1920 Frank L. Grubbs, 1968 Includes bibliographical references **The Struggle for Labour Loyalty** Frank L. Grubbs, 1968 **Manipulating the Masses** John Maxwell Hamilton, 2020-10-21 Winner of the Goldsmith Book Prize Winner of the AEJMC History Division Book Award Winner of the AJHA Book of the Year Winner of the Culbert Family Book Prize *Manipulating the Masses* tells the story of the enduring threat to American democracy that arose out of World War I the establishment of pervasive systematic propaganda as an instrument of the state During the Great War the federal government exercised unprecedented power to shape the views and attitudes of American citizens Its agent for this was the Committee on Public Information CPI established by President Woodrow Wilson one week after the United States entered the war in April 1917 Driven by its fiery chief George Creel the CPI reached every crevice of the nation every day and extended widely abroad It established the first national newspaper made prepackaged news a quotidian aspect of governing and pioneered the concept of public diplomacy It spread the Wilson administration s messages through articles cartoons books and advertisements in newspapers and magazines through feature films and volunteer Four Minute Men who spoke during intermission through posters plastered on buildings and along highways and through pamphlets distributed by the millions It enlisted the nation s leading progressive journalists advertising executives and artists It harnessed American universities and their professors to create propaganda and add legitimacy to its mission Even as Creel insisted that the CPI was a conduit for reliable fact based information the office regularly sanitized news distorted facts and played on emotions Creel extolled transparency but established front organizations Overseas the CPI secretly subsidized news organs and bribed journalists At home it challenged the loyalty of those who occasionally questioned its tactics Working closely with federal intelligence agencies eager to sniff out subversives and stifle dissent the CPI was an accomplice to the Wilson administration s trampling of civil liberties Until now the full story of the CPI has never been told John Maxwell Hamilton consulted over 150 archival collections in the United States and Europe to write this revealing history which shows the shortcuts to open honest debate that even well meaning propagandists take to bend others to their views Every element of contemporary government propaganda has antecedents in the CPI It is the ideal vehicle for understanding the rise of propaganda its methods of operation and the threat it poses to democracy *The Struggle for Labor Loyalty: Gompers, the A.F. of L., and the Pacifists, 1917-1920* Frank L. Grubbs, 1968

Organized Labor and American Politics, 1894-1994 Kevin Boyle, 1998-10-15 Traces the rise and fall of organized labor s political power over the course of the twentieth century *The American Peace Movement and Social Reform, 1889-1918* C. Roland Marchand, 2015-03-08 The history of the peace movement in the United States was one of dramatic change in the mid IKWs it consisted of a few provincial societies by 1912 it had become eminently respectable and listed among its members an impressive number of the nation s leaders by 1918 it was once again weak and remote from those who

formulated national policy Along with these fluctuations went equally substantial changes of leadership and purpose that as C Roland Marchand emphasizes reflected the motives of the various reform groups that successively joined and dominated the movement Most of those who joined were not devoted solely to the cause of world peace but saw in the programs of the movement a chance for the fulfillment of their own more immediately relevant goals Consequently the story of the peace movement reflects the concerns of such groups as the international lawyers who wanted a world court of arbitration as an alternative to war the business leaders who believed that international economic stability would be endangered by war and the labor unions who felt that the working class suffered most in war Originally published in 1973 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Bridgeport's Socialist New Deal, 1915-36 Cecelia Bucki, 2001 A backdrop to the evolving national developments of the New Deal this study stands at the intersection of political labor and ethnic history and provides a new perspective on how working people affected urban politics in the interwar era **BOOK JACKET** **Memoirs of Hector Berlioz** Hector Berlioz, Ernest Newman, 1932-01-01 Self revelations of tormented great composer musical life in Paris Wagner and other contemporaries musical opinions much more 11 plates *The Taming of Free Speech* Laura Weinrib, 2016-10-10 Laura Weinrib shows how a coalition of lawyers and activists made judicial enforcement of the Bill of Rights a defining feature of American democracy Protection of civil liberties was a calculated bargain between liberals and conservatives to save the courts from New Deal attack and secure free speech for both labor radicals and businesses

Historical Dictionary from the Great War to the Great Depression Neil A. Wynn, 2013-12-16 The period from 1913 to 1933 is not often seen as a coherent entity in the history of the United States It is more often viewed in terms of two distinct periods with the pre war era of political engagement idealism and reform known as progressivism separated by World War I from the materialism conservatism and disengagement of the prosperous 1920s To many postwar observers and later historians the entry of the United States into the European conflict in 1917 marked not just a dramatic departure in foreign relations but also the end of an era of reform This second edition of Historical Dictionary from the Great War to the Great Depression covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has more than 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about a vital period in U S history

This is likewise one of the factors by obtaining the soft documents of this **Struggle For Labor Loyalty Gompers The Af Of L And The** by online. You might not require more become old to spend to go to the ebook creation as skillfully as search for them. In some cases, you likewise complete not discover the statement Struggle For Labor Loyalty Gompers The Af Of L And The that you are looking for. It will unconditionally squander the time.

However below, next you visit this web page, it will be so unquestionably simple to acquire as capably as download guide Struggle For Labor Loyalty Gompers The Af Of L And The

It will not take many grow old as we notify before. You can accomplish it even if acquit yourself something else at house and even in your workplace. consequently easy! So, are you question? Just exercise just what we find the money for below as without difficulty as review **Struggle For Labor Loyalty Gompers The Af Of L And The** what you similar to to read!
