Ethics in Contact Rhetoric Jon Radwan, Dale Cyphert, Ellen W. Gorsevski, Omar Swartz, 2024-12-15 Ethics in Contact Rhetoric re orients communication theory by centering touch and de centering symbolic acts Inspired by MLK's tradition of nonviolent power a contact orientation highlights the incarnate and immediate ground of communication ethics Ethical interactions are defined as bio relational dances arcing steps of nurture respect justice and too often violence Centering humanity's physical mutuality is a vital move today Communication is a thoroughly interactive art but the West's ancient instrumental tradition of rhetoric and its accompanying utilitarian ethic valorize individual agency over joint action This book re balances rhetorical theory by enabling critique of embodied relational patterns Special emphasis is placed on engaging material injustice and discerning the role of rhetoric in social transformation Critical case studies demonstrate contact rhetoric's rich heuristic and diverse applications The Struggle is My Life Nelson Mandela, 1986 My political beliefs have been explained in my autobiography The Struggle Is My Life Nelson Mandela **THE STRUGGLE IS REAL, BUT WITH GOD I AM SURVIVING IT!!!** DELONDA GLAZE, 2018-08-25 This book is about how we go through all types of struggles in our lives and the only way we can and have survived them is with God Life isn't easy but we have to know that we will have struggles in this life some harder than others but with God on your side you have the victory over Satan's schemes The devil wants to destroy our lives because he knows what God has planned for us This book is about my life and what many didn't know about me It is also about how God set me free and gave me the victory over the enemy even unto death As you read this book it will help you to understand and the know that you can survive anything with God *Golf Is My Life: Glorifying God Through the Game* Jon Decker, 2017-01-11 God brought passion into Jon's life at an early age when he saw his very first golf club This passion turned to love and gave birth to a dream Fueled by this dream he worked diligently to one day be a PGA Tour player However God's plan for his life did not include professional golf as a participant Led by the hand of God to a path not foreseen in his childhood dreams Jon became a teaching professional teaching the game that he loves The game of golf has allowed Jon to play and teach the game while moving in career and social circles unimaginable by a boy who grew up in the mountains of Western North Carolina This book contains amazing stories and life changing occurrences in a journey among some of golf's greatest players world class athletes and Hall of Fame coaches These include PGA Tour players Tiger Woods Arnold Palmer Payne Stewart Seve Ballesteros Paul Azinger Phil Rodgers Bob Sowards Helen Alfredsson Top 100 Teacher Fred Griffin College Basketball Coaches Roy Williams Bobby Cremins Jim Valvano NFL Players Brad Johnson Gale Sayers NBA Player Brad Daugherty Television and movie star Bill Murray Chief Communications Officer LPGA Former host of Golf Channel Kraig Kann The pages of this book represent more than the story of Jon's journey and experiences teaching the game This book was inspired by a supernatural dream that occurred in his life as a teenage boy where he heard the audible voice of God spoke with his Lord and Savior Jesus Christ and felt the power and fury of the Holy Spirit His wonderful

stories around the game and the unique personal stories of these great players and athletes along with scripture are all woven into a book that will not only grow the game of golf but more importantly glorify God and His son Jesus Christ

Just Revolution Anna Floerke Scheid, 2015-06-17 Despite the U S Catholic Bishops 1983 declaration that insufficient analytical attention has been given to the moral issues of revolutionary warfare theological scholarship has been slow to engage in systematic analysis of what makes a revolution ethical or unethical Just Revolution A Christian Ethic of Political Resistance and Social Transformation aims to address this lacuna What principles and practices ought to guide people who want to free themselves from dictatorial or oppressive governments With this question in mind this book focuses on oppressed peoples as agents of their own processes of social transformation The model of just revolution proposed endeavors to limit violence to do the least possible harm while overcoming political oppression working toward a justice and promoting long term efforts at peacebuilding and sociopolitical reconciliation Using the South African struggle against apartheid as a case study Just Revolution posits an ethic for revolutionary activity that begins with nonviolent just peacemaking practices allows for limited and restrained armed resistance in accordance with

revised just war criteria and promotes post revolutionary transitional justice and social reconciliation Together the practices and criteria that emerge from this study yield a rich and theologically grounded ethic of just revolution **All My Life** A. E. Smith,1977 The Struggle of My Life Ramchandra Pradhan,2018-09-25 Sahajanand Saraswati 1889 1950 was a man of many parts Monk scholar freedom fighter and leader of the peasant movement he made an impact in all these spheres His autobiography Mera Jeevan Sangharsh The Struggle of My Life gives an account of his life and his attempts to reform the ills besetting his country in religion and in politics In doing so it sheds light on a number of significant periods in the history of India It is however the tale of the nation told from the margins not from the perspective of the English educated vilayat returned nationalist It is written by a man with humble roots who decided to improve the life of the common masses This is an especially relevant book in these times when the aam aadmi has become the pivot on which election campaigns are run and won The Struggle of My Life chronicles the remarkable life of a man who lived in remarkable times My Life Struggle ,2018-01-01 India s twentieth century struggle for political freedom was and remains an epic achievement in the human experience Quite apart from its global influence this is perhaps as familiar a story as it is remarkable given the legacy of Gandhi among others of that small generation of founders whose unique leadership roles are rightly considered to have been transformational in the achievement of freedom in 1947 and in the promulgation of the Constitution of January 1950 But it must then also be said that the roles of the founding leadership were balanced and in many ways defined by the people of India themselves primarily its peasants whether the generic masses of Gandhi s definition and direction or the independent and self aware peasants of the field It is this broader peasant story and particularly that of the deeply engaged peasants of the kisan andolan the peasant movement of the late 1920s and the 1930s that appears here in the words of Swami Sahajanand Saraswati It was their shared experience or as Sahajanand put it more pointedly and more accurately their common struggle In fact Sahajanand and the peasants had lived this history and the Swami recorded it for posterity in his 1952 Hindi memoir Mera Jivan Sangharsh My Life Struggle translated here by Walter Hauser and Kailash Jha Given Sahajanand s direct involvement in this history his representation of the peasant story from the perspective of the peasants amounts to a paradigm shift in how the lives of the peas ants of India have been understood and represented overtime either in politics or in scholarship The intimacy detail and ethnographic richness of peasant activism as conveyed by Sahajanand is simply unique This is true for many reasons not least because the peasants understood fully what their struggles and movement meant not only in social cultural and economic terms but equally so in political conceptual and ultimately in human terms It was their voice loud and clear and hence their history
