how is it that Jesus told us that His yoke is easy and His burden is light In this study one can readily see that living a life the way others wish you to is truly difficult At the same time following the examples and teachings of Jesus is both simple and pleasurable You may have your faith strengthened You may finally develop a faith of your own You may tweak your relationship with God You may completely alter your previous beliefs In some way you will be changed by your study in this work **MICHAEL OUR MIRACLE BOY** Cathy Yonkers,2012-06-25 The last thing I suppose someone who is contemplating suicide wants to do is read a memoir about a young beloved family member who did just that But this memoir is different because its emphasis is on all of the good memories which a close family member holds for her lost son The result of sharing this memoir is that it reveals the love needs and strength that developed between all of the family members and others who touched their lives It reflects the depth of a loving relationship and perhaps by telling this story and having others read this story we can all be helped those who may find themselves either in the position of wanting to end their lives or those who are in the position of having to accept and learn to live with the fact that they too have lost a loved one to suicide
