The Heart Of Art A Satire In Two Acts:

The Heart of Art Michael Weller, 2000 This comedy by the author of *Moonchildren* and *Loose Ends* is a hilarious satire of megalomania in the New York theatre A struggling playwright is ecstatic when his play is chosen to be produced at the People's Playhouse a major Off Broadway theatre run by egomaniacal Arthur Dick Dick's resident playwright has exited with his newest play and a replacement is needed fast The movie star cast in the starring role is too old and comes with the requisite girlfriend who is long on looks and short on acting ability Rehearsals are chaos and the playwright walks out the work no longer resembles what he wrote The show is a hit predictably the critics praise the star but damn the playwright who nonetheless finds himself trapped in Dick's web and slated to write his next project a new musical for a famous rock star

Off Broadway Musicals, 1910-2007 Dan Dietz, 2010-03-10 Despite an often unfair reputation as being less popular less successful or less refined than their bona fide Broadway counterparts Off Broadway musicals deserve their share of critical acclaim and study A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs

from the ever popular A Chorus Line and Rent to more off beat productions like Avenue Q and Little Shop of Horrors And while it remains to be seen if other popular Off Broadway shows like Stomp Blue Man Group and Altar Boyz will make it to the larger Broadway theaters their Off Broadway runs have been enormously successful in their own right This book discusses more than 1 800 Off Broadway Off Off Broadway showcase and workshop musical productions It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal selected musicals that opened in Brooklyn and in New Jersey and American operas that opened in New York along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan The typical entry includes the name of the host theater or theaters the opening date and number of performances the production s cast and creative team a list of songs a brief plot synopsis and general comments and reviews from the New York critics Besides the individual entries the book also includes a preface a bibliography and 21 appendices including a discography filmography a list of published scripts and lists of musicals categorized by topic and composer Vanity Fair ,1922 **London Review, and Biographia Literaria** ,1799 The Literary World ,1903
