Altsheler, 2013-04-15 Don't take it so hard my boy he said This battle's lost but there are others that won't be Most of the men were raw but they did some mighty good fighting while the regulars and the cavalry are covering the retreat Beauregard's army is not going to sweep us off the face of the earth His words brought cheer to Dick but it lasted only a moment He was to see many dark days but this perhaps was the darkest of his life His heart beat painfully and his face was a brown mask of mingled dust sweat and burned gunpowder The thunder of the Southern cannon behind them filled him with humiliation Every bone in him ached after such fierce exertion and his eyes were dim with the flare of cannon and rifles and the rolling clouds of dust He was scarcely conscious that the thick and powerful sergeant had moved up by his side and had put a helping hand under his arm Here we are at the ford cried Whitley Into it my lad Ah how good the water feels Dick despite those warning guns behind him would have remained a while in Bull Run luxuriating in the stream but the crowd of his comrades was pressing hard upon him and he only had time to thrust his face into the water and to pour it over his neck arms and shoulders But he was refreshed greatly Some of the heat went out of his body and his eyes and head ached less

**The Guns of Shiloh** Joseph Alexander Altsheler, 2020-06-29 Dick Mason caught in the press of a beaten army fell back slowly with his comrades toward a ford of Bull Run The first great battle of the Civil War had been fought and lost Lost after it had been won Young as he was Dick knew that fortune had been with the North until the very closing hour He did not yet know how it had been done He did not know how the Northern charges had broken in vain on the ranks of Stonewall Jackson s men He did not know how the fresh Southern troops from the Valley of Virginia had hurled themselves so fiercely on the Union flank But he did know that his army had been defeated and was retreating on the capital Cannon still thundered to right and left and now and then showers of bursting shell sprayed over the heads of the tired and gloomy soldiers Dick thoughtful and scholarly was in the depths of a bitterness and despair reached by few of those around him The Union the Republic had appealed to him as the most glorious of experiments He could not bear to see it broken up for any cause whatever It had been founded with too much blood and suffering and labor to be dissolved in a day on a Virginia battlefield
