The Hands Of Healing Murder:

The Hands of Healing Murder Barbara D'Amato, After dinner Dr Adam Cotton settled in a chair by the fireplace to read while his guests made up two tables of bridge Engrossed in their game no one left the room And the two servants who were sitting in the hallway all evening deep in conversation claim that no one entered the room But someone inserted a small surgical scalpel into the parietal bone of Dr Cotton s temple killing him instantly **The Doctor, The Murder, The Mystery** Barbara D'Amato, WINNER OF THE ANTHONY AND AGATHA AWARDS FOR BEST TRUE CRIME In 1968 Dr John Branion was found guilty of murdering his wife in their posh Chicago home After exhausting his appeals he evaded authorities by fleeing to Africa He was finally captured in 1983 but his case was far from over It would take another seven years for Dr Branion to finally win his freedom and for those who prosecuted him to admit that he could not have committed the murder and that they knew it all along Acclaimed mystery writer Barbara D Amato was drawn to this story two decades after the murder as Dr Branion languished in prison ill and without hope Her meticulous research repeatedly led her to one startling conclusion that it was impossible for Donna Branion s murder to have unfolded the way the police alleged In this award winning account D Amato deftly explores the intriguing facts of this shocking case from the tragic blunders made by authorities to Branion s arrest conviction and years practicing medicine in Africa as a fugitive from justice The result is a damning indictment of our criminal system and the vindication of an innocent man **The Doctor The Murder The Mystery** by Barbara D Amato won the Anthony and Agatha Awards for Best True Crime She is also the author of the highly acclaimed Cat Marsala mysteries including **Hard Case** and **Hard Christmas** She lives in Chicago **The Eyes on Utopia Murders** Barbara D'Amato, **The Most Peaceful Town in the World** boasts the sign leading to the quiet adult community of Young Lake And it was until they started shooting across the generation gap First there were the incidents a broken arm a scorpion sting rocks hurled at the school bus Next little Timmy Barkus was missing until they found his body And then the little girl Gerritt DeGraaf had never seen such an unlikely assembly of suspects And yet it had to be one of these mild old people was frightened enough or insane enough to murder **Doctor-Detectives in the Mystery Novel** Howard Brody, 2021-01-18 This is the first book to offer a critical analysis of one variant of the mystery story or novel the use of a physician as the major detective There is little difference between a medical case study and a mystery story The book reviews the works of major authors from R Austin Freeman Helen McCloy Josephine Bell and H C Bailey to Patricia Cornwell Kathy Reichs Aaron Elkins and Colin Cotterill with briefer reviews of minor authors It also addresses historical fictional physician detectives psychological detectives and physician detective nonfiction Physicians and health workers are avid readers of detective fiction and will welcome this volume which addresses their specific interests Its critical analysis of books that have long been viewed as central to detective fiction will also appeal to fans of the mystery story **The Mystery Fancier (Vol. 5 No. 1)** January/February 1981 Guy M. You Murdered MY MARRIAGE!! (Part 1) Akshat Pathak, I existed for you but never lived for you again I loved Ishaan and I tried everything possible to keep him happy but keeping him alive and away from this tragedy was something even I could not be successful in He was desperately tortured day and night this day onwards and saw himself at a place where within only the demons watch the world and dream of ruling it when the fact is every single one of them is supposed to suffer the same fate which is the reciprocated hell all of us tend to avoid What Ishaan did later was something

obnoxious and needed He tried everything he could but could not let his body be at rest only to realize that his life was meant for something different than the rest Not something fruitful not something filled with happiness but something filled with the nausea of vomiting every memory he owned of his bride in every split second he survived thereby witnessing the ones he loved leave him at a bay from where God seemed non existent and love seemed a complete doomed priority His end was always near and unfortunately never dared to face him for the monster he became within himself if not for others Love was a mere nausea for him now and he hated it not because he lost in his journey of love but because he always considered himself at fault for everything that happened thereby Wish he could change his life but now all that remained was something about which everybody was unaware of except one one who knew everything but still was helpless to do anything about it I am Soumya Jha Ishaan s unwanted love
