Buzzard,2013-05-15 How would you explain your life to a stranger When strangers meet today they often ask not What do
you do but What is your story Everybody on the planet believes some larger story in order to make sense of the smaller story
of his or her life We want our lives to fit within a larger plot a plot full of history forward movement and future So the better
question to ask is What sort of story are you in Most people believe false stories that leave them disillusioned enslaved and
hopeless Secular stories of chasing success and religious stories of doing good works leave us feeling exhausted and empty
Only Christianity offers a story that s big enough to make sense of both the beauty and brokenness in our lives and in our
