**Arthur Conan Doyle and the Meaning of Masculinity** Diana Barsham, 2016-12-05 A valued icon of British manhood Sir Arthur Conan

Doyle has been the subject of numerous biographies since his death in 1930. All his biographers have drawn heavily on his own autobiography *Memories and Adventures*, a collection of stories and anecdotes themed on the subject of masculinity and its representation. Diana Barsham discusses Doyle's career in the context of that nineteenth-century biographical tradition which Dr Watson so successfully appropriated. It explores Doyle's determination to become a great name in the culture of his day and the strains on his identity arising from this project. A Scotsman with an alcoholic Irish fairy painting father, Doyle offered himself and his writings as a model of British manhood during the greatest crisis of British history. Doyle was committed to finding solutions to some of the most difficult cultural problematics of late Victorian masculinity. As novelist, war correspondent, historian, legal campaigner, propagandist, and religious leader, he used his fame as the creator of Sherlock Holmes to refigure the spirit of British Imperialism. This original and thought-provoking study offers a revision of the Doyle myth. It presents his career as a series of dialogic contestations with writers like Thomas Hardy and Winston Churchill to define the masculine presence in British culture. In his spiritualist campaign, Doyle took on the figure of St Paul in an attempt to create a new religious culture for a Socialist age.

**Seamus Heaney and the End of Catholic Ireland** Kieran Quinlan, 2020-04-24. Seamus Heaney the End of Catholic Ireland takes off from the poet's growing awareness in the new millennium of something far more important in my mental formation than cultural nationalism or the British presence or any of that stuff, namely my early religious education. It then pursues an examination of the full trajectory of Heaney's religious beliefs as represented in his poetry, prose, and interviews, with a briefer account of the interactive religious histories of the Irish and international contexts in which he lived. Thus in the 1940s and 50s Heaney was inducted into the narrow, punitive but also enabling Catholicism of the era. In the early 1960s he was witness to the lively religious debates from the Anglican Bishop of Woolwich's *Honest to God* to the seismic disruptions of Vatican II. When the conflict in Northern Ireland between Catholics and Protestants broke out, Heaney was forced to dig deep for an imaginative understanding of its religious roots. From the 1980s on, Heaney more and more proclaimed his own religious loss while also recognizing the institution's residual value in an Irish society of rising prosperity, weariness with the atrocities of a partly religion-inspired IRA, and beset by the scandals of sex abuse among the clergy. Kieran Quinlan sees Heaney as an exemplar of this period of major change in Ireland as he engaged the religious issue not only in major writers such as James Joyce, W.B. Yeats, T.S. Eliot, Wallace Stevens, Philip Larkin, and Czesław Miłosz but also in a diverse array of less familiar commentators, lay and clerical, creative and academic, believers and unbelievers. Irish and international. Breaking new ground by expanding the scope of Heaney's religious preoccupations and writing in an accessible, reflective, and sometimes provocative manner, Quinlan's study places Heaney in his universe and that universe in turn in its wider intellectual setting.

**Wandering Ireland's Wild Atlantic Way** Paul Clements, 2016-03-01. Following the spirit of the world's longest coastal driving route, Paul Clements sets out to discover the real west of Ireland. Along the way he encounters memorable characters living on the Atlantic edge and presents a unique

portrait of their lives We meet the last man standing on a remote Galway island listen to the banter at Puck Fair and hear from a descendant of the original sixteenth century wild Atlantic woman Tagging along on his meandering journey is the swashbuckling presence of the Celtic sea god Manann n Mac Lir For his first travel book in 1991 Paul hitchhiked the same route Now retracing his steps along the Wild Atlantic Way this time by car and bike on horseback and on foot he looks at how Ireland has changed and realises everyone still has a story to tell Laced with wry humour and endless curiosity this is a distinctive mix of travel writing social history and nature Also by this author The Height of Nonsense The Ultimate Irish Road Trip Praise for this author Stacks of free copies should be sent to all our tourist desks abroad The Irish Times For sheer pleasure nothing I read beat Paul Clements The Height of Nonsense The Observer A compulsive educational laugh out loud read Sunday Independent A fascinating journey around the hidden corners of Ireland BBC Radio

**Traditional Music and Irish Society: Historical Perspectives** Martin Dowling, 2016-02-24 Written from the perspective of a scholar and performer Traditional Music and Irish Society investigates the relation of traditional music to Irish modernity The opening chapter integrates a thorough survey of the early sources of Irish music with recent work on Irish social history in the eighteenth century to explore the question of the antiquity of the tradition and the class locations of its origins Dowling argues in the second chapter that the formation of what is today called Irish traditional music occurred alongside the economic and political modernization of European society in the late eighteenth and early nineteenth centuries Dowling goes on to illustrate the public discourse on music during the Irish revival in newspapers and journals from the 1880s to the First World War also drawing on the works of Pierre Bourdieu and Jacques Lacan to place the field of music within the public sphere of nationalist politics and cultural revival in these decades The situation of music and song in the Irish literary revival is then reflected and interpreted in the life and work of James Joyce and Dowling includes treatment of Joyce s short stories A Mother and The Dead and the Sirens chapter of Ulysses Dowling conducted field work with Northern Irish musicians during 2004 and 2005 and also reflects directly on his own experience performing and working with musicians and arts organizations in order to conclude with an assessment of the current state of traditional music and cultural negotiation in Northern Ireland in the second decade of the twenty first century
