Skin Game A Memoir:

Skin Game Caroline Kettlewell, 2000-06-07 Caroline Kettlewell's autobiography reveals a girl whose feelings of pain and alienation led her to seek relief in physically hurting herself from age twelve into her twenties *Skin Game* employs clear language and candid reflection to grant general readers as well as students an uncensored profile of a complex and unsettling disorder This mesmeric memoir examines the obsession with cutting that is believed to afflict somewhere around two million Americans nearly all of them female Francine Prose noted in *Elle* Kettlewell's language soars and its intensity deepens whenever she is recalling the lost joys and the thrilling sensation of sharp steel against her tender skin *Skin Game*, 1954 **The Skin Game**, 1962 **Skin Game** Stuart Woods, Parnell Hall, 2019-11-26 Teddy Fay returns to his roots in espionage in the latest thriller from 1 New York Times bestselling author Stuart Woods When Teddy Fay receives a freelance assignment from a gentleman he can't refuse he jets off to Paris on the hunt for a treasonous criminal But as Teddy unearths more information that just doesn't seem to connect his straightforward mission becomes far bigger and stranger than he could imagine The trail of breadcrumbs leads to secrets hidden within secrets evildoers trading in money and power and a global threat on an unprecedented scale Under the beautiful veneer of the City of Lights true villainy lurks in the shadows and Teddy Fay alone can prevent the impending disaster *Minding the Body* Alessandra Lemma, 2014-08-13 *Minding the Body* The Body in Psychoanalysis and Beyond outlines the value of a psychoanalytic approach to understanding the body and its vicissitudes and for addressing these in the context of psychoanalytic psychotherapy and psychoanalysis The chapters cover a broad but esoteric range of subjects that are not often discussed within psychoanalysis such as the function of breast augmentation surgery the psychic origins of hair the use made of the analyst's toilet transsexuality and the connection between dermatological conditions and necrophilic fantasies The book also reaches beyond the couch to consider the nature of reality television makeover show The book is based on the Alessandra Lemma's extensive clinical experience as a psychoanalyst and psychologist working in a range of public and private health care settings with patients for whom the body is the primary presenting problem or who have made unconscious use of the body to communicate their psychic pain *Minding the Body* draws on detailed clinical examples that vividly illustrate how the author approaches these clinical presentations in the consulting room and as such provides insights to the practicing clinician that will support their attempts at formulating patients' difficulties psychoanalytically and for how to help such patients It will be essential reading for psychoanalysts psychologists psychiatrists mental health workers academics and literary readers interested in the body sexuality and gender **Inside a Cutter's Mind** Jerusha Clark, 2014-02-27 Cutting is a practice that has crossed age and gender lines It's not just depressed teens who inflict injury on themselves it can be anyone dealing with overwhelming feelings This book explores the complex issue of cutting without offering any pat or simple fixes It examines the psychology of the feelings of anger and despair behind it and the counseling resources that can help This book is a great tool to help

those who engage in cutting pastors who want to learn more or those who need to understand someone who practices self injury

New Essays on Life Writing and the Body Christopher Stuart, Stephanie Todd, 2009-03-26 In light of materialist revisions of the Cartesian dual self and the increased recognition of memoir and autobiography as a crucial cultural index the physical body has emerged in the last twenty five years as an increasingly inescapable object of inquiry speculation and theory that intersects all of the various subgenres of life writing New Essays on Life Writing and the Body thus offers a timely original focused and yet appropriately interdisciplinary study of life writing This collection brings together new work by established authorities in autobiography such as Timothy Dow Adams G Thomas Couser Cynthia Huff and others along with essays by emerging scholars in the field Subjects range from new interpretations of well known autobiographies by Edith Wharton Gertrude Stein and Lucy Grealy as well as scholarly surveys of more recently defined subgenres such as the numerous New Woman autobiographies of the late 19th century adoption narratives and sibling memoirs of the mentally impaired Due to their wide interdisciplinary focus these essay will prove valuable not only to more traditional literary scholars interested in the classic literary autobiography but also to those in Women s Studies Ethnic and African American Studies as well as in emerging fields such as Disability Studies and Cognitive Studies
