Williams, 2021-01-12 From the Newbery Honor winning author of *Genesis Begins Again* comes a shimmering picture book that shines the light on Zora Neale Hurston the extraordinary writer and storycatcher extraordinaire who changed the face of American literature Zora was a girl who hankered for tales like bees for honey Now her mama always told her that if she wanted something to jump at de sun because even though you might not land quite that high at least you'd get off the ground So Zora jumped from place to place from the porch of the general store where she listened to folktales to Howard University to Harlem And everywhere she jumped she shined sunlight on the tales most people hadn't been bothered to listen to until Zora The tales no one had written down until Zora Tales on a whole culture of literature overlooked until Zora Until Zora jumped
