Waters of Life Tom Bowser, 2025-05-01 From the moment that these waters were given back their beavers I knew that I would never wish to return to the time when they were without them In November 2021 in a major moment in Scotland s history a family of beavers was spared a death sentence and relocated to a Perthshire farm Their arrival at Argaty Tom Bowser s home paved the way for a new era in human beaver relations In this deeply personal account Tom tells of his attempts to save these incredible animals of the support and opposition received and of the unimaginable gains that beavers ultimately brought to his home He also explores the wider themes of rewilding and nature conservation in Scotland meeting some of the leading lights of this exciting movement highlighting the work they do the challenges they face and showing why ecological restoration is so important for the future of our planet

A Sky Full of Kites Tom Bowser, 2021-06-03 Shortlisted for the Saltire Society First Book of the Year Award Red kites were once Britain s most common bird of prey By the early 1900s they d been wiped out in Scotland and England following centuries of ruthless persecution When some reintroduced kites began roosting on their 1 400 acre farm at Argaty in Perthshire Tom Bowser s parents Lynn and Niall decided to turn their estate into a safe haven They began feeding the birds and invited the world to come and see them learn about them and fall in love with them A Sky Full of Kites is the story of the Argaty Red Kite project and the re-establishing of these magnificent raptors to Scotland but it is also much more than that Ill at ease with the traditional rural values of livestock farming Lynn and Niall s son Tom who returned to work on the farm after a career in journalism reveals his passion for nature and his desire to dedicate his family s land to conservation
