Slashed To Ribbons In Defense Of Love And Other Stories:

Slashed to ribbons in defense of love and other stories Felice Picano, 1975 **Gay Fiction Speaks** Richard Canning, 2001-01-18 Today's most celebrated prominent and promising authors of gay fiction in English explore the literary influences and themes of their work in these revealing interviews with Richard Canning. Though the interviews touch upon a wide range of issues including gay culture, AIDS, politics, art, and activism, what truly distinguishes them is the extent to which Canning encourages the authors to reflect on their writing practices, published work, literary forebears, and their writing peers. Gay and straight: Edmund White talks about narrative style and the story behind the cover of *A Boy's Own Story*; Armistead Maupin discusses his method of writing and how his work has adapted to television; Dennis Cooper thinks about *L.A. AIDS*; Try and pop music; Alan Hollinghurst considers structure and point of view in *The Folding Star*; and why *The Swimming Pool Library* is exactly 366 pages long. David Leavitt muses on the identity of the gay reader and the extent to which that readership defined a tradition. Andrew Holleran wonders how he might have made *The Beauty of Men* more forlorn, romantic, lost by writing in the first person. **The New York Years** Felice Picano, 2000 From 1975 to 1981, while becoming famous for his novels *The Lure* and *The Eyes*, Picano was also exploring the world of New York gay life in shorter pieces of original fiction. These stories represent some of Picano's finest work and illustrate why Picano is one of the world's most influential gay writers. International Who's Who in Poetry 2005 Europa Publications, 2004-08-02 The 13th edition of the *International Who's Who in Poetry* is a unique and comprehensive guide to the leading lights and freshest talent in poetry today. Containing biographies of more than 4,000 contemporary poets worldwide, this essential reference work provides truly international coverage. In addition to the well-known poets, talented up-and-coming writers are also profiled. Contents: Each entry provides full career history and publication details. An international appendices section lists prizes and past prize winners, organizations, magazines, and publishers. A summary of poetic forms and rhyme schemes. The career profile section is supplemented by lists of Poets Laureate, Oxford University professors of poetry, poet winners of the Nobel Prize for Literature, winners of the Pulitzer Prize for American Poetry, and of the King's, Queen's Gold medal, and other poetry prizes. **The Lure** Felice Picano, 2009-04-01 Noel Cummings's life is about to change irrevocably. After witnessing a brutal murder, Noel is recruited to assist the police by acting as the lure for a killer who has been targeting gay men. Undercover, Noel moves deeper and deeper into the dark side of Manhattan's gay life that stirs his own secret desires until he forgets he is only playing a role. **Encyclopedia of Contemporary LGBTQ Literature of the United States** Emmanuel S. Nelson, 2009-07-14 In this two-volume work, hundreds of alphabetically arranged entries survey contemporary lesbian, gay, bisexual, transgendered, and queer American literature and its social contexts. Comprehensive in scope and accessible to students and general readers, *Encyclopedia of Contemporary LGBTQ Literature of the United States* explores contemporary American LGBTQ literature and its social, political, cultural, and historical contexts. Included are several hundred

alphabetically arranged entries written by expert contributors Students of literature and popular culture will appreciate the encyclopedia's insightful survey and discussion of LGBTQ authors and their works while students of history and social issues will value the encyclopedia's use of literature to explore LGBTQ American society Each entry is written by an expert contributor and lists additional sources of information To further enhance study and understanding the encyclopedia closes with a selected general bibliography of print and electronic resources for student research
